Within population and settlement, you will study population dynamics, migration, population structure, population density and distribution, settlements (rural and urban) and service provision, urban settlements, and urbanisation.

CIE IGCSE Geography | Revision Notes & Study Resources

Settlement geography is a branch of human geography that investigates the earth's surface's part settled by humans. According to the United

Nations ' Vancouver Declaration on Human Settlements (1976), "human settlements means the totality of the human community – whether city , town or village – with all the social, material, organizational, spiritual and cultural elements that sustain it."
