These comic grading services will grade a comic and then seal the comic in a hard plastic case that displays the assigned grade. These grading services assign grades on the same ten-point grading scale used by MyComicShop. You can easily identify a slabbed comic because the grades will include the name of the grading service, such as "CGC 9.4" or "PGX 9.4". A comic that has not been slabbed is sometimes referred to as a "raw" comic, which means a regular comic not encased in a plastic slab.

Nostomania's Grading Guide for Comic Books. As long-time users of Nostomania know, the value of a comic depends strongly on grade. A copy in pristine MT 10.0 condition can sell for over 1000 times the price of a ratty copy in PR 0.5. Therefore being able to correctly determine the grade of a comic is an important skill for buyers and sellers alike.
