- The supporting characters in Things I Overheard While Talking To Myself publication additionally play an essential duty in the tale, with each one adding deepness and intricacy to the narrative.
- From the lead character's loyal friend to the mysterious complete stranger the antagonist befriends, the sustaining actors aids to bring the world of the story to life.

On the whole, the character development in this publication is among its toughness. Each character is well-crafted and contributes to the general tale, creating a really pleasurable read.

FINAL DECISION

After checking out and analyzing Things I Overheard While Talking To Myself from cover to cover, we have actually come to our final decision.

The Pros

Among the major highlights of this publication Things I Overheard While Talking To Myself is its unique narration style which keeps the visitors involved throughout the book. In addition, the well-developed personalities make the book much more relatable and enjoyable to read. Additionally, the plot spins keep the visitor on their toes, making the book uncertain and interesting.

The Cons

However, there were some elements that we found doing not have. The pacing of Things I Overheard While Talking To Myself was sluggish sometimes, that made it really feel dragged out. In addition, there were some loosened ends that were not locked up by the end of the book, which left us with unanswered inquiries.

Final Ideas

Overall, our team believe that Things I Overheard While Talking To Myself deserves a read, regardless of some small imperfections. The unique narration design, relatable personalities, and plot spins make it a worthwhile enhancement

to your shelf. So, if you're looking for an exciting read, *Things I Overheard While Talking To Myself* is most definitely worth thinking about.

Things I Overheard While Talking to Myself *Random House Trade Paperbacks*

An insightful and funny look at some of the impossible questions Alan Alda has asked himself over the years: What do I value? What, exactly, is the good life? (And what does that even mean?) Picking up where his bestselling memoir left off—having been saved by emergency surgery after nearly dying on a mountaintop in Chile—Alda finds himself not only glad to be alive but searching for a way to squeeze the most juice out of his new life. Looking for a sense of meaning that would make this extra time count, he listens in on things he's heard himself saying in private and in public at critical points in his life—from the turbulence of the sixties, to his first Broadway show, to the birth of his children, to the ache of September 11, and beyond. Reflecting on the transitions in his life and in all our lives, he notices that “doorways are where the truth is told,” and wonders if there's one thing—art, activism, family, money, fame—that could lead to a “life of meaning.” In a book that is candid, wise, and as questioning as it is incisive, Alda amuses and moves us with his unique and hilarious meditations on questions great and small. *Things I Overheard While Talking to Myself* is another superb Alan Alda performance, as inspiring and entertaining as the man himself. Praise for *Things I Overheard While Talking to Myself*

“Engagingly thoughtful and thought-provoking . . . [Alan Alda] candidly shares many stories of his life, so easily and wittily you can hear him speak as you read.” –Sydney Sun Herald “Alda is chatty, easygoing and humble, rather like a Mr. Rogers for grownups. His words of inspiration would be a perfect gift for a college grad or for anyone facing major life changes.” –Publishers Weekly (starred review) “Smart, engaged, funny and observant.” –San Antonio Express-News

Never Have Your Dog Stuffed *Random House*

He's one of America's most recognizable and acclaimed actors—a star on Broadway, an Oscar nominee for *The Aviator*, and the only person to ever win Emmys for acting, writing, and directing, during his eleven years on *M*A*S*H*. Now Alan Alda has written a memoir as elegant, funny, and affecting as his greatest performances. “My mother didn't try to stab my father until I was six,” begins Alda's irresistible story. The son of a popular actor and a loving but mentally ill mother, he spent his early childhood backstage in the erotic and comic world of burlesque and went on, after early struggles, to achieve extraordinary success in his profession. Yet *Never Have Your Dog Stuffed* is not a memoir of show-business ups and downs. It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow. It is the story of turning points in Alda's life, events that would make him what he is—if only he could survive them. From the moment as a boy when his dead dog is returned from the taxidermist's shop with a hideous expression on his face, and he learns that death can't be undone, to the decades-long effort to find compassion for the mother he lived with but never knew, to

his acceptance of his father, both personally and professionally, Alda learns the hard way that change, uncertainty, and transformation are what life is made of, and true happiness is found in embracing them. *Never Have Your Dog Stuffed*, filled with curiosity about nature, good humor, and honesty, is the crowning achievement of an actor, author, and director, but surprisingly, it is the story of a life more filled with turbulence and laughter than any Alda has ever played on the stage or screen.

If I Understood You, Would I Have this Look on My Face?

The actor and founder of the Alan Alda Center for Communicating Science traces his personal quest to understand how to relate and communicate better, from practicing empathy and using improv games to storytelling and developing better intuitive skills.

If I Understood You, Would I Have This Look on My Face?

Random House Trade Paperbacks

NEW YORK TIMES BESTSELLER • Award-winning actor Alan Alda tells the fascinating story of his quest to learn how to communicate better, and to teach others to do the same. With his trademark humor and candor, he explores how to develop empathy as the key factor. “Invaluable.”—Deborah Tannen, #1 New York Times bestselling author of *You're the Only One I Can Tell* and *You Just Don't Understand* Alan Alda has been on a decades-long journey to discover new ways to help people communicate and relate to one another more effectively. If I

Understood You, Would I Have This Look on My Face? is the warm, witty, and informative chronicle of how Alda found inspiration in everything from cutting-edge science to classic acting methods. His search began when he was host of PBS's Scientific American Frontiers, where he interviewed thousands of scientists and developed a knack for helping them communicate complex ideas in ways a wide audience could understand—and Alda wondered if those techniques held a clue to better communication for the rest of us. In his wry and wise voice, Alda reflects on moments of miscommunication in his own life, when an absence of understanding resulted in problems both big and small. He guides us through his discoveries, showing how communication can be improved through learning to relate to the other person: listening with our eyes, looking for clues in another's face, using the power of a compelling story, avoiding jargon, and reading another person so well that you become “in sync” with them, and know what they are thinking and feeling—especially when you're talking about the hard stuff. Drawing on improvisation training, theater, and storytelling techniques from a life of acting, and with insights from recent scientific studies, Alda describes ways we can build empathy, nurture our innate mind-reading abilities, and improve the way we relate and talk with others. Exploring empathy-boosting games and exercises, If I Understood You is a funny, thought-provoking guide that can be used by all of us, in every aspect of our lives—with our friends, lovers, and families, with our doctors, in business settings, and beyond. “Alda uses his trademark humor and a well-honed ability to get to the point, to help us all learn how to leverage the better communicator inside each of

us.”—Forbes “Alda, with his laudable curiosity, has learned something you and I can use right now.”—Charlie Rose

Overheard *Hardie Grant Publishing*

To overhear is human. If someone wants to shoot their mouth off in public about their private life, it's not your fault if your ear gets in the way. Overhearing is an accidental, victimless pleasure; it arrives by happenstance, free of charge, opening a door to the messy, funny life of an anonymous nobody.

For more than ten years, illustrator Oslo Davis has eavesdropped on the conversations of hundreds of these nobodies as they publicly whine, rave, gush and rabbit on about their lives, then drawn them up into a weekly newspaper cartoon. *Overheard: The Art of Eavesdropping* collects the best, juiciest and downright weirdest of Oslo's Overheards, all embarrassingly, and deliciously, true.

About the author: Oslo Davis is an illustrator, artist and cartoonist whose work appears in newspapers, magazines and various other media worldwide. His weekly cartoon Overheard has been published in *The Age* newspaper since 2007.

Radiance *Samuel French, Incorporated*

With backbreaking work in a ramshackle lab in Paris, Marie Curie and her husband Pierre achieve a revolutionary understanding of radiation and share a Nobel Prize. When her beloved Pierre dies in an accident, Marie is plunged into depression. Paul Langevin, fleeing an unhappy marriage, gives her the strength to return to

her work. But the scandal over their affair threatens to end her career - just when she might become the first person ever to receive a second Nobel Prize. --back.

Sometimes I Lie *Flatiron Books*

My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Just Farr Fun *Eubanks Donizetti Enterprises*

Just Call Me Mike *Akashic Books*

Highlights the life of the actor famous for his role in the television series "M*A*S*H" and "Providence," and describes his interest in politics and human rights around the world.

A Needlepoint Scrapbook *Doubleday Books*

Tells how to read a needlepoint chart, demonstrates basic stitches, and suggests a variety of designs and projects

Just Kids from the Bronx *Macmillan*

This collection of stories and memories from children who grew

up in the Bronx includes the experiences of Yankees' broadcaster Michael Kay, J. Crew's Millard (Mickey) Drexler, astrophysicist Neil deGrasse Tyson and hip hop's Grandmaster Melle Mel.

The Crayon Box that Talked *Random House Books for Young Readers*

Yellow hates Red, so does Green, and no one likes Orange! Can these crayons quit arguing and learn to cooperate? Shane DeRolf's deceptively simple poem celebrates the creation of harmony through diversity. In combination with Michael Letzig's vibrant illustrations, young readers will understand that when we all work together, the results are much more colorful and interesting.

The Risk Pool *Vintage*

A wonderfully funny, perceptive novel *The Risk Pool* is set in Mohawk, New York, where Ned Hall is doing his best to grow up, even though neither of his estranged parents can properly be called adult. His father, Sam, cultivates bad habits so assiduously that he is stuck at the bottom of his auto insurance risk pool. His mother, Jenny, is slowly going crazy from resentment at a husband who refuses either to stay or to stay away. As Ned veers between allegiances to these grossly inadequate role models, Richard Russo gives us a book that overflows with outsized characters and outlandish predicaments and whose vision of family is at once irreverent and unexpectedly moving. In the traditions of Thornton Wilder and Anne Tyler, *The Risk Pool* was hailed by *The New York Times* as "...superbly original and maliciously funny. Russo proves himself a master at evoking the

sights, feelings, and smells of a town."

If You Ask Me (And Of Course You Won't) *Random House Australia*

It-girl Betty White delivers a hilarious, slyly profound take on love, life, celebrity, and everything in between. Drawing from a lifetime of lessons learned, seven-time Emmy winner Betty White's wit and wisdom take center stage as she tackles topics like friendship, romantic love, aging, television, fans, love for animals, and the brave new world of celebrity. If You Ask Me mixes her thoughtful observations with humorous stories from a seven-decade career in Hollywood. Longtime fans and new fans alike will relish Betty's candid take on everything from her rumored crush on Robert Redford (true) to her beauty regimen ("I have no idea what color my hair is and I never intend to find out") to the Facebook campaign that helped persuade her to host Saturday Night Live despite her having declined the hosting job three times already. Featuring all-new material, with a focus on the past fifteen years of her life, If You Ask Me is funny, sweet, and to the point—just like Betty White.

Weird Things Customers Say in Bookstores *Abrams*

Everything from "Did Beatrix Potter ever write a book about dinosaurs?" to "Did Charles Dickens ever write anything fun?" Anyone who has ever worked in retail will nod knowingly at requests like "I've forgotten my glasses, can you read me the first chapter?" Or the absurdity of questions like "Excuse me . . . is this book edible?" Filled with fun and quirky illustrations by the award-winning Brothers McLeod and featuring contributions from

booksellers across the United States and Canada, as well as the author's native UK, *Weird Things Customers Say in Bookstores* is a celebration of bookstores, large and small, and of the brilliant booksellers who toil in those literary fields, as well as the myriad of colorful characters that walk through the doors everyday. This irresistible collection is proof positive that booksellers everywhere are heroes.

Bartholomew and the Oobleck *RH Childrens Books*

Join Bartholomew Cubbins in Dr. Seuss's Caldecott Honor-winning picture book about a king's magical mishap! Bored with rain, sunshine, fog, and snow, King Derwin of Didd summons his royal magicians to create something new and exciting to fall from the sky. What he gets is a storm of sticky green goo called Oobleck—which soon wreaks havoc all over his kingdom! But with the assistance of the wise page boy Bartholomew, the king (along with young readers) learns that the simplest words can sometimes solve the stickiest problems.

The Biggest Bluff *Penguin*

A New York Times bestseller • A New York Times Notable Book
"The tale of how Konnikova followed a story about poker players and wound up becoming a story herself will have you riveted, first as you learn about her big winnings, and then as she conveys the lessons she learned both about human nature and herself." —The Washington Post
It's true that Maria Konnikova had never actually played poker before and didn't even know the rules when she approached Erik Seidel, Poker Hall of Fame inductee and winner of tens of millions of dollars in earnings, and

convinced him to be her mentor. But she knew her man: a famously thoughtful and broad-minded player, he was intrigued by her pitch that she wasn't interested in making money so much as learning about life. She had faced a stretch of personal bad luck, and her reflections on the role of chance had led her to a giant of game theory, who pointed her to poker as the ultimate master class in learning to distinguish between what can be controlled and what can't. And she certainly brought something to the table, including a Ph.D. in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. She won a major title, got a sponsor, and got used to being on television, and to headlines like "How one writer's book deal turned her into a professional poker player." She even learned to like Las Vegas. But in the end, Maria Konnikova is a writer and student of human behavior, and ultimately the point was to render her incredible journey into a container for its

invaluable lessons. The biggest bluff of all, she learned, is that skill is enough. Bad cards will come our way, but keeping our focus on how we play them and not on the outcome will keep us moving through many a dark patch, until the luck once again breaks our way.

Something Upstairs *Scholastic Inc.*

After moving to Providence, Rhode Island, Kenny discovers that his new house is haunted by the spirit of a black slave boy who asks Kenny to return with him to the early nineteenth century and prevent his murder by slave traders.

Deacon King Kong *Penguin*

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning *The Good Lord Bird* and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of *Deacon King Kong*, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good Lord Bird*. In *Deacon King*

Kong, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

Overheard in a Dream *HarperCollins UK*

Bestselling author Torey Hayden's novel is a fascinating study of a fractured family, a troubled child, and a psychiatrist's attempts to rescue them.

Red, White & Royal Blue *St. Martin's Griffin*

* Instant NEW YORK TIMES and USA TODAY bestseller **
GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the

American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

All That Is Bitter and Sweet *Ballantine Books*

NEW YORK TIMES BESTSELLER • In this unforgettable memoir, Ashley Judd describes her odyssey, as a lost child attains

international prominence as a fiercely dedicated advocate. In 2002, award-winning film and stage actor Ashley Judd found her true calling: as a humanitarian and voice for those suffering in neglected parts of the world. After her first trip to the notorious brothels, slums, and hospices of southeast Asia, Ashley knew immediately that she wanted to advocate on behalf of the vulnerable. During her travels, Ashley started to write diaries that detailed extraordinary stories of survival and resilience. But along the way, she realized that she was struggling with her own emotional pain, stemming from childhood abandonment and abuse. Seeking in-patient treatment in 2006 for the grief that had nearly killed her, Ashley found not only her own recovery and an enriched faith but the spiritual tools that energized and advanced her feminist social justice work. Her story ranges from anger to forgiveness, isolation to interdependence, depression to activism. In telling it, she resoundingly answers the ineffable question about the relationship between healing oneself and service to others. Praise for *All That Is Bitter and Sweet* “Ashley Judd has given us magnetic and searingly honest portrayals of diverse women on screen. Now with the same honesty and magnetism, she brings us her true self on the page. From her childhood to her revolutionary empathy with women and girls living very different lives, her path will inspire readers on journeys of their own.”—Gloria Steinem “Over the last decade I have watched my gifted, brilliant friend grow as an artist, but more importantly, as a wise, deeply empathetic woman. I have read the diaries that are the heart of this memoir since she began traveling the world, fearing for her safety and sanity, baffled why she chooses these grueling missions. *All That Is Bitter and Sweet* will be a revelation

to readers, exposing Ashley Judd for what I have known for years she is: an amazing woman doing extraordinary work.”—Morgan Freeman “*All That Is Bitter and Sweet* is all that is enlightening and inspiring. Ashley Judd has composed a memoir that teaches while it entrances and finds hope and faith in the most unlikely places. The book is full of real-life stories that reflect both the compassion of its author and the need for healing in the world.”—Madeleine K. Albright

Coming of Age in Mississippi *Dell*

The unforgettable memoir of a woman at the front lines of the civil rights movement—a harrowing account of black life in the rural South and a powerful affirmation of one person’s ability to affect change. “Anne Moody’s autobiography is an eloquent, moving testimonial to her courage.”—Chicago Tribune Born to a poor couple who were tenant farmers on a plantation in Mississippi, Anne Moody lived through some of the most dangerous days of the pre-civil rights era in the South. The week before she began high school came the news of Emmet Till’s lynching. Before then, she had “known the fear of hunger, hell, and the Devil. But now there was . . . the fear of being killed just because I was black.” In that moment was born the passion for freedom and justice that would change her life. A straight-A student who realized her dream of going to college when she won a basketball scholarship, she finally dared to join the NAACP in her junior year. Through the NAACP and later through CORE and SNCC, she experienced firsthand the demonstrations and sit-ins that were the mainstay of the civil rights movement—and the arrests and jailings, the shotguns, fire hoses, police dogs, billy

clubs, and deadly force that were used to destroy it. A deeply personal story but also a portrait of a turning point in our nation's destiny, this autobiography lets us see history in the making, through the eyes of one of the footsoldiers in the civil rights movement. Praise for *Coming of Age in Mississippi* "A history of our time, seen from the bottom up, through the eyes of someone who decided for herself that things had to be changed . . . a timely reminder that we cannot now relax."—Senator Edward Kennedy, *The New York Times Book Review* "Something is new here . . . rural southern black life begins to speak. It hits the page like a natural force, crude and undeniable and, against all principles of beauty, beautiful."—*The Nation* "Engrossing, sensitive, beautiful . . . so candid, so honest, and so touching, as to make it virtually impossible to put down."—*San Francisco Sun-Reporter*

The Daily Show (The Book) *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of

The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Nineteen Eighty-Four *epubli*

"*Nineteen Eighty-Four: A Novel*", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "*Nineteen Eighty-Four*" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within

politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

We Need to Talk About Kevin *Catapult*

The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later,

it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Find Out Anything From Anyone, Anytime *Red Wheel/Weiser*

The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989.

By Blood *Macmillan*

Taking a downtown office to plot his comeback in tumultuous 1970s San Francisco, a disgraced professor eavesdrops on a woman's therapy sessions and becomes enraptured by her struggles with identity and ongoing search for her war-torn Jewish-German birth family. By the award-winning author of *The Bug*. 50,000 first printing.

Conversations with Friends *Hogarth*

NOW A HULU ORIGINAL SERIES • From the New York Times bestselling author of *Normal People* . . . “[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship.”—*Entertainment Weekly* SALLY ROONEY NAMED TO THE TIME 100 NEXT LIST • WINNER OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR AWARD • ONE OF BUZZFEED'S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: *Vogue*, *Slate* • ONE OF THE BEST BOOKS OF THE YEAR: *Elle* Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman's sophisticated home and handsome husband, Nick. But however amusing Frances and Nick's flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL

DUBLIN LITERARY AWARD “Sharp, funny, thought-provoking . . . a really great portrait of two young women as they're figuring out how to be adults.”—Celeste Ng, *Late Night with Seth Meyers* Podcast “The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they're suspenseful.”—Curtis Sittenfeld, *The Week* “Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions.”—New York “A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney's consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney's natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do.”—Alexandra Schwartz, *The New Yorker* “This book. This book. I read it in one day. I hear I'm not alone.”—Sarah Jessica Parker (Instagram)

The Murders in the Rue Morgue *Lulu.com*

Edgar Allan Poe's *The Murders in the Rue Morgue* represents the beginning of crime fiction. The mystery was first published in *Graham's Magazine* in 1841 and has been recognized as the first detective story. Poe referred to it as one of his “tales of ratiocination”. As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the

brilliant detective, his personal friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in *The Mystery of Marie Rogêt* and *The Purloined Letter*.

Things I Should Have Known *Houghton Mifflin Harcourt*

An unforgettable story about autism, sisterhood, and first love that's perfect for fans of Jenny Han, Sophie Kinsella, and Sarah Dessen. New York Times bestselling author of *Tell Me Three Things* Julie Buxbaum raved: "I couldn't put it down." Meet Chloe Mitchell, a popular Los Angeles girl who's decided that her older sister, Ivy, who's on the autism spectrum, could use a boyfriend. Chloe already has someone in mind: Ethan Fields, a sweet, movie-obsessed boy from Ivy's special needs class. Chloe would like to ignore Ethan's brother, David, but she can't—Ivy and Ethan aren't comfortable going out on their own so Chloe and David have to tag along. Soon Chloe, Ivy, David, and Ethan form a quirky and wholly lovable circle. And as the group bonds over frozen yogurt dates and movie nights, Chloe is forced to confront her own romantic choices—and the realization that it's okay to be a different kind of normal.

Eight Dates *Workman Publishing*

Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates* offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice— the choice each person in a relationship makes to remain

open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

The Measure of a Man *Harper Collins*

"I have no wish to play the pontificating fool, pretending that I've suddenly come up with the answers to all life's questions. Quite that contrary, I began this book as an exploration, an exercise in self-questing. In other words, I wanted to find out, as I looked back at a long and complicated life, with many twists and turns, how well I've done at measuring up to the values I myself have set." —Sidney Poitier In this luminous memoir, a true American icon looks back on his celebrated life and career. His body of work is arguably the most morally significant in cinematic history,

and the power and influence of that work are indicative of the character of the man behind the many storied roles. Sidney Poitier here explores these elements of character and personal values to take his own measure—as a man, as a husband and a father, and as an actor. Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his world. "In the kind of place where I grew up," recalls Poitier, "what's coming at you is the sound of the sea and the smell of the wind and momma's voice and the voice of your dad and the craziness of your brothers and sisters...and that's it." Without television, radio, and material distractions to obscure what matters most, he could enjoy the simple things, endure the long commitments, and find true meaning in his life. Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents. Just a few years after his introduction to indoor plumbing and the automobile, Poitier broke racial barrier after racial barrier to launch a pioneering acting career. Committed to the notion that what one does for a living articulates to who one is, Poitier played only forceful and affecting characters who said something positive, useful, and lasting about the human condition. Here is Poitier's own introspective look at what has informed his performances and his life. Poitier explores the nature of sacrifice and commitment, pride and humility, rage and forgiveness, and paying the price for artistic integrity. What emerges is a picture of a man in the face of limits—his own and the world's. A triumph of the spirit, *The Measure of a Man* captures the essential Poitier.

Double Identity *Simon and Schuster*

So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: "She doesn't know anything about Elizabeth." But Aunt Myrlie won't tell Bethany who Elizabeth is, and she won't explain why people in her small town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns, readers will be gripped until the startling conclusion.

What the Dog Said *Bloomsbury Publishing USA*

Ever since her police officer father was killed a few months ago, Grace Abernathy hasn't wanted to do much of anything. She's pulled away from her friends, her grades are plummeting . . . it's

a problem. The last thing Grace wants is to be dragged into her older sister Regan's plan to train a shelter dog as a service dog. But Grace has no idea how involved she'll get—especially when a mangy mutt named Rex starts talking to her. Has Grace gone off the deep end? Or might this dog be something really special—an angel? A spirit? Either way, he is exactly the therapy that Grace needs.

The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

You're the Only One I Can Tell

A professor of linguistics at Georgetown University decodes the conversational styles of female friends and explains how language contributes to this unique, cherished, and crucial connection.

QED *Dramatists Play Service, Inc.*

THE STORY: Nobel Prize-winning physicist Richard Feynman holds forth with captivating wit and wisdom in this fascinating play that originally starred Alan Alda. One of the twentieth century's great physicists, Feynman was also one of its great ecces

The Daily Stoic *Penguin*

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a

helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll

find the serenity, self-knowledge, and resilience you need to live well.
