Talons Heart Ebook Jordan Silver

No one writes alpha males like Jordan Silver. Talon's character was strong and unwavering, he had some gentleness too but it didn't take away from his dominant personality. Lots of story to be had in this book but I did find it a bit repetitive at times. Great read altogether though.

only place where he shows his prowess. Known as a carefree man about town with a trust fund that's way beyond his

peers', he has no plans on settling down anytime soon, not when he can have his pick of any female within a ten mile radius.
