13 Bankers The Wall Street

13 Bankers describes the rise of concentrated financial power and the threat it poses to our economic well-being. Over the past three decades, a handful of banks became spectacularly large and profitable and used their power and prestige to reshape the political landscape.

The Wall Street Takeover and the Next ... - 13 Bankers

13 Bankers is an absolutely brilliant and spellbinding forensic analysis of Main Street s economic murder at the hands of financial behemoths who gambled recklessly with the taxpayers' chips while paying Washington to look the other way. From Jefferson and Jackson to South Korea and Russia, the book traverses time and space in documenting that banks that are too big to fail are far too big to be preserved.

Who Are They? | 13 Bankers

13 Bankers is a remarkable book, placing the financial crisis in the context of history. The authors discuss the US financial industry's development from Independence to the present. Current debates over financial regulation can be traced as far back as the 1780s, when Founding Fathers Alexander Hamilton and Thomas Jefferson quarrelled over the role of banks.

13 Bankers: The Wall Street Takeover and the ... - amazon.com

13 Bankers received an excellent review by Adrien Auclert in laviedesidées.fr — excellent not only because it was positive, but because of its depth and detail (and twenty footnotes — the large majority independently researched by the author). It begins with a relatively accurate backstory, identifies the key themes of the book, and points out the weakest chapter — the last one, where ...
