A ROOM WITH A VIEW & HOWARDS END *e-artnow*

A Room with a View - When Lucy Honeychurch embarks on a journey of a lifetime to Italy, little does she know that she would fall for the reckless man George, with whom she and co-traveller had exchanged the room with in Florence. In spite of her self-denial about her growing attraction to George Lucy knows in her heart that she cannot marry another man, let alone Cecil Vyse, who is not only downright obnoxious but also overbearing. This book is a classic romance which has also been adapted into a highly successful movie featuring Helena Bonham Carter, Julian Sands, Maggie Smith and Daniel Day-Lewis. *Howards End* - The story revolves around three families in England at the beginning of the 20th century: the Wilcoxes, rich capitalists with a fortune made in the colonies; the half-German Schlegel siblings (Margaret, Helen, and Tibby), whose cultural pursuits have much in common with the Bloomsbury Group; and the Basts, an impoverished

young couple from a lower-class background. As fate would have it, their lives are going to be intertwined in such a manner that the secret passions and flying tempers would bring each of the family to the verge of ruin. Can they survive this vortex or will they be ruined forever?

A Room with a View *Createspace Independent Publishing Platform*

A Room with a View by E. M. Forster This Edwardian social comedy explores love and prim propriety among an eccentric cast of characters assembled in an Italian pensione and in a corner of Surrey, England. A charming young Englishwoman, Lucy Honeychurch, faints into the arms of a fellow Britisher when she witnesses a murder in a Florentine piazza. Attracted to this man, George Emerson—who is entirely unsuitable and whose father just may be a Socialist—Lucy is soon at war with the snobbery of her class and her own conflicting desires. Back in England, she is courted by a more acceptable, if stifling, suitor and

soon realizes she must make a startling decision that will decide the course of her future: she is forced to choose between convention and passion. We are delighted to publish this classic book as part of our extensive Classic Library collection. Slaughterhouse-Five

A Novel *Dial Press Trade Paperback*

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (*Time*), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about

what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as

ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Howards End *Graphic Arts Books*

Howards End (1910) is a novel by English author E.M. Forster. Inspired by his interactions with the famous Bloomsbury Group of writers and intellectuals, as well as by his personal experience growing up with a large inheritance on the family estate of Rooks Nest, *Howards End* has been recognized as one of the finest novels ever written in English. The story loosely follows the lives of three families: the Wilcoxes, whose wealth derives from the exploitation of British colonies; the Basts, an impoverished couple; and the Schlegels, half-German sisters who find themselves set between the vastly opposing classes of their peers. Much of the novel is set on the Wilcox estate, known as *Howards End*, a symbol of fortune and a reminder of the generational implications of hoarded wealth. When Ruth Wilcox moves to London, she befriends her neighbor Margaret Schlegel. On her deathbed, and in secret, Ruth leaves a note instructing that *Howards End* be left to Margaret in her will, bypassing her family entirely. When her son Henry, a widower, finds out, he destroys the note, ensuring that the estate remains within the family. Years later, when the two meet again, Henry proposes to Margaret, bringing the Wilcox and Schlegel families closer together. But when her sister Helen brings the struggling Leonard and Jacky Bast to a party at *Howards End*, Henry, who recognizes Jacky as a former

mistress, believes he is being set up, and breaks off the engagement. Although they reconcile, Margaret is driven apart from her sisters, who resent the Wilcoxes and distrust Henry. But when Helen becomes pregnant by Leonard, and a tragic event destroys several lives, the families are brought together once more, and both Margaret and Henry are forced to choose between the fortune they stand to gain and the love they stand to lose. E.M. Forster's *Howards End* is a masterpiece, a brilliant study of family, wealth, romance, and secrecy that captures the depravity of the English aristocracy without losing what sets it apart—an undeterred sense of humanity. With a beautifully designed cover and professionally typeset manuscript, this edition of E.M. Forster's *Howards End* is a classic of English literature reimagined for modern readers.

A Room With a View *CreateSpace*

"*A Room with a View*," by E. M. Forster, depicts a young Englishwoman's adventure trying to come to grips with the conflict between her desires and society's expectations. Lucy Honeychurch is a well-bred young middle class girl on holiday in radiant Florence. As E. M. Forster tells it, Lucy comes from a family which is overly concerned with respectability, and is over-protected by a spinster named Charlotte Bartlett. Under no circumstances will Miss Bartlett allow Lucy to pursue (or even examine) her affection for the handsome young George Emerson--his father is far too unconventional with his modern notions about honesty and freethinking. Determined to forget George, Lucy finally gives in to the repeated proposals of Cecil Vyse, a thoroughly fashionable

young gentleman, if not very exciting. And so E. M. Forster sets the stage for "A Room with a View," a splendid satire on the English social strata of the early part of the 20th century when the formal social structure of the Victorian era was beginning to fray at the edges. Vyse is a delightfully drawn male chauvinist; nobody likes him, but everyone is willing to accept him, and Lucy convinces herself that she is in love with him. However, Vyse's own penchant for getting his way by playing rather cruel practical jokes brings the Emersons back into the picture. Confronted by the contrast between the not quite classy but intelligent, thoughtful (and bold) George Emerson and the arrogant, boorish, but elite Cecil Vyse, Lucy finally decides to live as she plays Beethoven, with exciting results. E. M. Forster writes gently and calmly, but with a passion for life and love welling up beneath the surface. "A Room with a View" is a lovely book, vital with the force of a sensitive and empathetic mind. Highly recommended!

One of The New York Times' 16 New Books to Watch for in March One of Publishers Weekly's Most Anticipated Books of the Year One of Newsweek's Most Highly Anticipated Books of the Year One of BuzzFeed's Most Anticipated Books the Year Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation's children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic

connection—both were traumatized by gun violence. Ava's best friend had been killed in a campus shooting at her elementary school, and Tyshaun's father had been shot to death outside of the boy's elementary school. Ava's and Tyshaun's stories are extraordinary, but not unique. In the past decade, 15,000 children have been killed from gunfire, though that number does not account for the kids who weren't shot and aren't considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children's trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, *Children Under Fire* offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.
