Culture, Society And Culture, Culture Group ... - Sociology

Culture and society are intricately related. A culture consists of the "objects" of a society, whereas a society consists of the people who share a common culture. When the terms culture and society first acquired their current meanings, most people in the world worked and lived in small groups in the same locale. In today's world of 6 billion people, these terms have lost some of their usefulness because

increasing numbers of people interact and share resources globally.
