X Isle Steve Augarde

While X-isle, by Steve Augarde, hovers between a fairly recent apocalyptic flooding that changes the face of the earth and a depressing dystopia, it certainly sends a message that we have no idea what we are in for... Baz is living on the mainland, which has been ravaged by the floods.

X-Isle: Amazon.co.uk: Augarde, Steve: Books

It's right up my alley -- in Steve Augarde's drowned dystopian future, London and much of the rest of the world is underwater. The disaster that sparked the great flood is never fully described - through the eyes of our narrator, 14-year-old Baz, the event is now insignificant. The desperate reality of day-to-day survival is what's

important.

X Isle by Steve Augarde - Goodreads

A dark novel that will take the reader by the hand and drag them into the apocalyptic imaginings of Steve Augarde as the reader meets Baz, a survivor of the flooding. Its inventive, its intriguing and above all it's a tale that will keep the reader glued to the last page as they seek to find out how Baz will cope in this new world.
