Securitization and the Iraq War by Faye Donnelly | Waterstones

In Securitization and the Iraq War by Faye Donnelly, readers will find a European theoretical and methodological treatment of the Iraq war and one that is deeply embedded in debates over the role of language in the study of security. While the book is filled with intriguing analytical nuggets, many of which merit at least article length treatment, I will discuss two very important ideas on the processes that shape security outcomes that I believe are central to the analytical contributions ...

Why language matters | Securitization and the Iraq War ...

The Iraq War was one of the most prominent events of the early 2000s. The prelude to the war halted the sense of optimism that captivated International Relations as a discipline after the end of the Cold War. The United States initiated this war following a lengthy securitization process.

Coercion by fear: Securitization of Iraq prior to the 2003 war

In the case of the securitization of the Iraqi regime, the influence that the advocacy by the United States at the international system level, the Bush administration at the state level, and public opinion at the individual level had on the final decision to go to war serves to show the connection between advocacy and securitization, but more importantly, why and how contention can emerge.
