I love this little book
and the suggested
tunes to listen to whilst
baking. My family
loved the Cherry
Bakewell scones and
they were lovely and
fluffy. With this book I
could quite become
addicted to baking
scones. Can't wait to
try the Lemon curd
recipe and Chorizo
savoury ones.

Absolutely delighted.

Amazon.co.uk:Customer reviews: The Little Book of Scones

The authors of this sweet little book are a husband and wife team who adore and bake scones. As well, they often provide these sweet and savory treats at East London's Broadway Market on Saturdays. I am looking toward an upcoming journey there, and will certainly appear at that Market with pounds and pence ready to purchase.
