Amber-Allen Publishing

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz

prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as

"Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

you tend to make assumptions that turn out to be false; you judge yourself systematically; these four tendencies hinder the expression of your freedom. *The teachings of the "Four Toltec Chords" are based on Toltec knowledge, a thousand-year-old shamanic tradition of southern Mexico, of which the city of Teotihuacan remains one of the only vestiges. Key Takeaways & Analysis of Don Miguel Ruiz's the Four Agreements

A Practical Guide to Personal Freedom (a

Toltec Wisdom Book) *CreateSpace*

The Four Agreements by Don Miguel Ruiz | Key Takeaways & Analysis The Four Agreements is an introduction to Toltec spiritual philosophy as interpreted by New Age shaman Don Miguel Ruiz. Ruiz's Toltec philosophy describes the cultures, laws, and morals of humanity as the "dream of the planet," because the human mind is dreaming whether it is awake or asleep. Those morals and expectations are taught to people when they are born and as they grow older through a process called human domestication. When someone accepts the domestication, they accept the dream of someone else. This is

called an agreement.

Anyone who goes through the domestication process will eventually domesticate others. This domestication is reinforced by two internal voices: the Judge who punishes the mind by reminding it of all the ways someone has failed to live up to the internal book of law, and the Victim who accepts this punishment.

Punishment is a dream of hell and contributes to the foggy state of mind that Toltec spiritualists call *mitote*. Living according to the four agreements reverses domestication and creates the dream of heaven on earth... How Will You Measure Your Life? (Harvard Business Review Classics)

Harvard Business Review Press

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set

of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Fear is the source of all

of the negative agreements we've made with life. It can alienate us from the joy that is our birthright. When we are able to look at our lives without fear or judgments, we realize that reality can be whatever we want it to be. Beyond Fear leads seekers of the Toltec way of freedom and joy on their spiritual journey into a state of empowerment. More expansive and in-depth than *The Four Agreements*, *Beyond Fear* contains information on life after death, prophecies about the evolution of humanity, and exercises and ceremonies to walk readers through the process of shedding fear and becoming spiritually and emotionally alive.

"Don Miguel Ruiz's book is a roadmap to enlightenment and freedom." - Deepak Chopra, Author, The Seven Spiritual Laws of Success. In this powerful book, and its companion, we learn the source of self-limiting beliefs that rob us of joy and create needless suffering. The Four Agreements - deceptively simple, but incredibly powerful - offer us a code of conduct that can transform our lives to a new experience of freedom, true happiness, and love.

Start Publishing Notes' Summary, Analysis, and Review of Don Miguel Ruiz's The Four Agreements: A Practical Guide to Personal Freedom (A Toltec Wisdom Book) includes a summary of the book, review, analysis & key takeaways, and detailed "About the Author" section. PREVIEW: Don Miguel Ruiz's The Four Agreements was published in 1997 and remained on The New York Times bestseller list for seven years thereafter. Ruiz, like fellow best-selling spiritualist author Deepak Chopra, had gone to medical school and became a doctor.

Also like Chopra, he would become disenchanted with the practice of medicine and sought to distill the wisdom of his ancestors. Chopra's two biggest-selling books, *Ageless Body Timeless Mind* and *The Seven Spiritual Laws of Success*, had appeared in 1993 and 1994, respectively, and would remain fixtures on bestseller lists for years to come. While Chopra's books were rooted in Transcendental Meditation, Indian natural philosophy, and the teachings of the Mahareshi Mahesh

Yogi, Don Miguel Ruiz turned to his forebears, the Toltecs, an ancient civilization in Mexico from about 1,000 years ago. The Toltec, Ruiz explained, were not so much a nation or race as a group of seekers of knowledge within a variety of disciplines who formed a society through which a communal exploration and conservation of spiritual knowledge and participation of ancient practices was possible.
