Until We Meet Again

From R. Clift comes so intimately a collection of memories, a snapshot of her heart, like nothing she has ever written or shared before. A travel memoir written in poetry, of backpacking through Europe in the summer of 2019. Filled with daily poem entries, imperfect polaroids, never-to-be-sent postcards, and 3-hour-train-ride illustrations all pulled

from the pages of her journals. This memoir began as a personal challenge, whatever her next trip was- she would write a poem a day. Would she see growth? Would they be more about the place or about how she was feeling? What would she discover? She didn't know. But she wanted to find out. So, she wrote all through Spain, Italy, Greece, and England. When her last poem ended with the line 'until we meet again' she knew this endeavor had become bigger than herself. For a while, the poems sat unread, and she wasn't sure if they ever would be. She was afraid to share these words at first, afraid it was too real, messy, raw, flawed- until she realized that is the very reason it should

be shared. If you have found this book, it's for a reason. This book is for anyone who has ever felt lost within themselves. For the runaway broken hearts looking for a place to heal, to rest, and to become whole again. For the travelers plagued by wanderlust, who know all too well that one can still ache even in the most beautiful cities on Earth. She can only hope that through her story you might come closer to courage- to let go of what burdens your heart.

@r.cliftpoetry First published in November 2019, this second edition now being published in May 2021 has been revised and expanded to add over 70 new pages- including exclusive poems that were

originally left out of the first edition.

Along the way, she finds herself tempted to tear down her carefully tended walls at last; she’s seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she’s been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

"The skeleton in someone else's closet." According to the World Health Organization, in the United States alone, on average, more than 44,000 people will commit suicide. 125 people a day. One every 13 minutes. For every suicide, at least 20 more will attempt it. Despite this fact, for most people, awareness of suicide comes from a far off distance. We hear of celebrities and rock stars overdosing, and politicians shooting themselves. We shake our heads and wonder how suicide could possibly become the only way out. Until it happens to someone we know. Then the illusion of, "That

happens to other families. Not normal families like ours," is shattered. The souls on the Other Side say that no one has the right to take their own life, but what happens to them if they do? Are they condemned to spend eternity wandering aimlessly and lost? Will you ever see them again? Will they ever find peace with what they've done? What if you're the one considering taking your own life? In this book, Anthony shares what he's learned from the readings he's done bringing through people who have crossed themselves over.

It's the summer of 1914 - the last peaceful summer Britain will see for four long years. Tilly Moon has long looked to her elder half-sister, Maddy, as a role model. Maddy's love of music inspired Tilly to follow in her footsteps, becoming an accomplished pianist. If there is one thing she

loves more than playing the piano though, it is her twin brother's best friend Dominic. But, in the first tentative steps of romance, what they all feared has come to pass. The country is at war. Following the Moon family's triumphs and tragedies during the outbreak of the First World War, Margaret Thornton's heartfelt and highly evocative narrative brings those turbulent times to life, perfectly capturing the horror of war and the devastating sorrow it brought, but also the heroism it engendered in ordinary people.

When investment banker Jessie Kim is laid off in a virtual meeting and then overhears why ("she's already being overpaid anyway for a woman" and "Asians are worker bees, not someone who can drum up new deals") she delivers an "eff you guys" speech and storms out. After moving back home to Tennessee to live with her loving but meddling mother and father, she runs into her childhood nemesis—golden child Daniel Choi—at the local Asian grocery store. The smart,

charming lawyer appears to have it all...while Jessie has nothing. Jess begrudgingly accepts Daniel's help to relaunch her long abandoned Korean cooking YouTube channel: HANGUK HACKS, showcasing easy meal prep for busy professionals. When We Meet Again *Penguin*

An emotionally

compelling tale of love and mystery set in the publishing world of World War II London, *When We Meet Again* tells the story of a mother searching for her stolen child, and illustrates the unbreakable bonds among families, lovers, and readers under the shadow of war. London, 1943: War and dwindling resources have taken their toll on the book publishing industry, but Alice Cotton, a young editor at Partridge Press, has seen her star begin to rise. She has a knack for creating new books to distract readers from the grim realities of the war. And the demand for books is greater than ever, both on the battlefield and on the home front. But just as her hard work seems poised to pay

off, Alice unexpectedly falls pregnant. Facing the stigma of being an unwed mother, Alice flees to a small town to give birth to her child, Eadie, whom her family has promised to help raise. Instead, her mother sells the newborn to "baby farmers" who plan to give the child up for a private adoption. Alice begins her desperate hunt to find the daughter she never planned for but suddenly deeply loves. Alice's story intertwines with that of Theo Bloom, an American editor tasked with helping Partridge Press overcome the publishing obstacles of the war. Theo and Alice are quickly drawn to each other during their darkest hours, bound by hope, love, secrets, and the belief that

books have the power to change lives.
