A companion droid designed to assist operations in remote or dangerous locations across the galaxy, BD-1 has an almost disturbing enthusiasm for data collection and little regard for self-preservation. Like other BD units, this droid was programmed to be the ideal assistant to a researcher or explorer operating alone in the field with its ability to traverse all types of terrain.

freistil 187 is so spacious, soft and comfortable - the perfect embodiment of the concept of lounging furniture. Originally, a lounge was a waiting room where travellers could comfortably pass the time until the next stage of their journey. The best thing about freistil 187 is that you don't want to continue your journey at all, you just want to stay.

1950s Scandinavia: that's when designers were creating classics - though they probably didn't know it. In creating freistil 162 we have been inspired by the minimalism and the effortlessness of the time. As a single or corner combination, freistil 162 seems tailor-made for the fifties of the 21st century.
