A day in the life of a Jew begins with prayer, the service of the heart. The first conscious thought of the day, and its first uttered words, are those of the Modeh Ani, expressing our awareness of G-ds presence in our lives and our indebtedness to Him for our every living breath. And though formal prayer must by necessity wait until one has gotten out of bed, washed, dressed and rushed

Italy - Italy - Daily life and social customs: Since World War II, Italian society has profoundly changed, with a significant impact on daily life. One of the main elements of change is the more visible role women play in society outside the home, such as increased participation in higher education and the professions. One aspect of this changed role is that Italy records one of the lowest ...
