The Innovator’s Dilemma gets more of the headlines, but the follow-up book by Clayton Christensen, The Innovator’s Solution, is a far more useful piece of work. The Innovator’s Solution starts out by describing the ‘dilemma’, and in one chapter removes the need to even read the original work. It then proceeds to offer an array of approaches to handling disruptive innovation in large organizations.

8 Principles of The Innovator’s Solution

The Innovator's Solution is really more concentrated on producing new growth through disruptive markets rather than on maintaining dominance in the presence of disruptive innovation. That being said, the specific details on generating new growth areas are equally applicable to avoiding being toppled by a new entrant.
