Quote from Penelope Douglas: Bully was my love. Until You was my responsibility. Rival was my pleasure. But Falling Away was my destiny. Every whisper, every breath, every kiss, and every word came from my gut. This is the book I'm most proud of.

Until You *Penguin*

From New York Times and USA Today bestselling author

Penelope Douglas comes a companion novel to *Bully*. This is Jared's story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the

one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same. Includes a teaser for *RIVAL*, the next unforgettable novel from Penelope Douglas.... Praise for *Bully*: "*Bully* was a wonderfully addictive read that kept my heart racing from start to finish. Meeting Tyler Marek for the first time makes it easy for Easton to see why his son is having trouble in school. The man knows how to manage businesses and wealth, not a living, breathing teenage boy. The Road *Vintage*

NATIONAL BESTSELLER

• WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to

defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Alexander and the Terrible, Horrible, No Good, Very Bad

A daring young woman risks everything to pursue a career as a doctor on the front lines in France during World War I, and learns the true meaning of hope, love, and resilience in the darkest of times. When

Eleanor Atherton graduates from medical school near the top of her class in 1917, she dreams of going overseas to help the wounded, but her ambition is thwarted at every turn. Eleanor's parents insist she must give up medicine, marry a respectable man, and assume her proper place. While women might serve as ambulance drivers or nurses at the front, they cannot be physicians--that work is too dangerous and frightening.

Nevertheless, Eleanor is determined to make more of a contribution than sitting at home knitting for the troops. When an unexpected twist of fate sends Eleanor to the battlefields of France as the private doctor of a British peer, she

seizes the opportunity for what it is--the chance to finally prove herself. But there's a war on, and a casualty clearing station close to the front lines is an unforgiving place. Facing skeptical commanders who question her skills, scores of wounded men needing care, underhanded efforts by her family to bring her back home, and a blossoming romance, Eleanor must decide if she's brave enough to break the rules, face her darkest fears, and take the chance to win the career--and the love--she's always wanted.

Falling *Open Road Media*

An aging con man sets his sights on a twice-burned, sixtyish woman in this suspenseful novel from the author of the bestselling *Cazalet Chronicles*. Playwright Daisy Langrish has just bought a weekend cottage in the country. She has an estranged adult daughter, Katya, from her first marriage, and a grandchild. I'm indifferent to everything, everyone. The only emotion I feel with any kind of depth is annoyance, and I feel it often. A text message sent to the wrong number proves to be my undoing. His name is Everett, but I

call him rude. He's pushy, he's arrogant, he crowds my personal space, and worst of all: he makes me feel. He chooses to wear all black, all the time, as if he's waiting to attend a funeral. Probably because he is. Everett is dying. And he's spending his final days living, truly living. In doing so, he's forcing me to feel, to heal. To come face to face with the demons I suppressed in my memory. He hurts me, he fulfills me, he completes me. And still, he's dying.
