Shakka - Turn Off The Lights Lyrics | Genius Lyrics

Incandescent lights should be turned off whenever they are not needed, because they are the least efficient type of lighting. 90% of the energy they use is given off as heat, and only about 10% results in light. Turning lights off will also keep a room cooler, an extra benefit in the summer.

When to Turn Off Your Lights | Department of Energy

There is a long-standing myth that leaving lights on for a few minutes uses less energy than turning them off and on again. In fact, it's almost always best to turn lights off when you leave the room, saving you energy and money on those pesky bills. That's pretty much all there is too it.
