Children love to unwind and relax with this fun exercise known as "muscular relaxation". Children relate to the angry octopus in this story as the sea child shows him how to take a deep breath, calm down, and manage his anger. This effective stress and anger management technique focuses awareness on various muscle groups to create a complete resting of the mind and body. Muscular relaxation can lower stress and anxiety

levels. It can be used to decrease pain and anger. This engaging story quiets the mind and relaxes the body so your child can let go of anger and fall asleep peacefully. This is one of four stories featured on the Indigo Ocean Dreams CD.

How Full Is Your Bucket? For Kids *Simon and Schuster*

An illustrated adaptation of the long-running bestseller *How Full Is Your Bucket?* (more than 400,000 copies sold) for kids — told through the story of a boy who learns a valuable "bucket filling" metaphor and watches it come to life as the day unfolds. Every moment matters. Each of us has an invisible bucket. When our bucket is full, we feel great. When it's empty, we feel awful. Yet most children (and many adults) don't realize the importance of having a full bucket throughout the day. In *How Full Is Your Bucket? For Kids*, Felix begins to see how every interaction in a day either fills or empties his bucket. Felix then realizes that everything he says or does to other people fills or empties their buckets as well. Follow along with Felix as he learns

how easy it can be to fill the buckets of his classmates, teachers and family members. Before the day is over, you'll see how Felix learns to be a great bucket filler, and in the process, discovers that filling someone else's bucket also fills his own.

I Don't Care - Learning About Respect *Hachette UK*

This classic picture book, illustrated by the award-winning artist Mike Gordon, explains to young children what it means to be a respectful member of society and the importance of having respect for other people's needs. It suggests ways of doing this, such as giving up your seat in a public place so that an elderly person can sit down. It encourages children to think about what respect means to them and looks at why it is important to have respect for library books, rules, animals, public places, as well as the concept of self-respect. This book is part of a series called Values, which helps children to develop their own value system and make responsible decisions. Notes for parents and teachers show how ideas in the books can be used as starting points for further discussion at home and in the classroom or in school assemblies. Other titles in the Values series: *Taking Responsibility* and *Learning About Honesty*
