Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's Beyond the Bright Sea is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

Wolf Hollow *Penguin*

A Newbery Honor Book New York Times Bestseller "Wolf Hollow has stayed with me long after I closed the book. It has the feel of an instant classic." —Linda Sue Park, Newbery Medalist and New York Times bestselling author of *A Long Walk to Water* "This book matters." —Sara Pennypacker, New York Times bestselling author of *Pax* Despite growing up in the shadows cast by two world wars, Annabelle has lived a mostly quiet, steady life in her small Pennsylvania town. Until the day new student Betty Glengarry walks into her class. Betty quickly reveals herself to be cruel and manipulative, and though her bullying seems isolated at first, it quickly escalates. Toby, a reclusive World War I veteran, soon becomes the target of Betty's attacks. While others see Toby's strangeness, Annabelle knows only kindness. And as tensions mount in their small community, Annabelle must find the courage to stand as a lone voice for justice. The brilliantly crafted debut of Newbery Honor- and Scott O'Dell Award-winning author Lauren Wolk (*Beyond the Bright Sea*, *Echo Mountain*), *Wolf Hollow* is a haunting tale of America at a crossroads and a time when one girl's resilience, strength, and compassion help to illuminate the darkest corners of history.

Those Who Favor Fire**A Novel** *Random House*

People feel at home in Belle Haven, and in many ways it is like any other small town, with a café where regulars come for the fresh cinnamon rolls and to talk about the weather, or one another, often staying all day. It's a town with the usual collection of quirky characters--the people everyone knows who, by staying in one place long enough, have become part of its landscape. But what sets Belle Haven apart is its especially strong sense of community, which is both strengthened and tested by the uncontrollable mine fire that burns below the town. Sometimes it breaks through the earth's surface to swallow somebody's garden or a garbage can, even a beloved pet, or to threaten a house. Those Who Favor Fire is the love story of Rachel Hearn, who has lived in Belle Haven all her life, and the man everyone calls Just Joe, who has arrived only recently--and the story of their love for the town that has brought them together. But as the fire intensifies, endangering Belle Haven and its people, it also threatens what Joe and Rachel have found together. Though some reluctantly consider relocating, Rachel refuses to leave the only place she's ever called home, the place that holds her richest memories. But Joe knows the danger of becoming too firmly rooted in a place. Ultimately, Rachel and Joe must decide whether to abandon their beloved town. In her wonderful debut novel, Lauren Wolk has created a town every bit as real as the Mitford of Jan Karon's novels and populated it with characters as quirky, lively, and endearing as Fannie Flagg's.

Orphan Island *HarperCollins*

A National Book Award Longlist title! "A wondrous book, wise and wild and deeply true." —Kelly Barnhill, Newbery Medal-winning author of *The Girl Who Drank the Moon* "This is one of those books that haunts you long after you read it. Thought-provoking and magical." —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. On the island, everything is perfect. The sun rises in a sky filled with dancing shapes; the wind, water, and trees shelter and protect those who live there; when the nine children go to sleep in their cabins, it is with full stomachs and joy in their hearts. And only one thing ever changes: on that day, each year, when a boat appears from the mist upon the ocean carrying one young child to join them—and taking the eldest one away, never to be seen again. Today's Changing is no different. The boat arrives, taking away Jinny's best friend, Deen, replacing him with a new little girl named Ess, and leaving Jinny as the new Elder. Jinny knows her responsibility now—to teach Ess everything she needs to know about the island, to keep things as they've always been. But will she be ready for the inevitable day when the boat will come back—and take her away forever from the only home she's known? "A unique and compelling story about nine children who live with no adults on a mysterious island. Anyone who has ever been scared of leaving their family will love this book" (from the *Brightly.com* review, which named *Orphan Island* a best book of 2017).

The Bright and Breaking Sea *Penguin*

Chloe Neill brings her trademark wit and wild sense of adventure to a stunning seafaring fantasy starring a dauntless heroine in a world of magic and treachery. Kit Brightling, rescued as a foundling and raised in a home for talented girls, has worked hard to rise through the ranks of the Isles' Crown

Command and become one of the few female captains in Queen Charlotte's fleet. Her ship is small, but she's fast—in part because of Kit's magical affinity to the sea. But the waters become perilous when the queen sends Kit on a special mission with a partner she never asked for. Rian Grant, Viscount Queenscliffe, may be a veteran of the Continental war, but Kit doesn't know him or his motives—and she's dealt with one too many members of the Beau Monde. But Kit has her orders, and the queen has commanded they journey to a dangerous pirate quay and rescue a spy who's been gathering intelligence on the exiled emperor of Gallia. Kit can lead her ship and clever crew on her own, but with the fate of queen and country at stake, Kit and Rian must learn to trust each other, or else the Isles will fall....

Green Pants *Candlewick Press*

Jameson refuses to wear pants that are not green, until he has to choose between wearing his green pants and wearing a tuxedo with black pants so that he can be in his cousin's wedding.

Queen of the Sea *Walker Books Us*

Cult graphic novelist Dylan Meconis offers a rich reimagining of history in this beautifully detailed hybrid novel loosely based on the exile of Queen Elizabeth I by her sister, Queen Mary. When her sister seizes the throne, Queen Eleanor of Albion is banished to a tiny island off the coast of her kingdom, where the nuns of the convent spend their days peacefully praying, sewing, and gardening. But the island is also home to Margaret, a mysterious young orphan girl whose life is upturned when the cold, regal stranger arrives. As Margaret grows closer to Eleanor, she grapples with the revelation of the island's sinister true purpose as well as the truth of her own past. When Eleanor's life is threatened, Margaret is faced with a perilous choice between helping Eleanor and protecting herself. In a hybrid novel of fictionalized history, Dylan Meconis paints Margaret's world in soft greens, grays, and reds, transporting readers to a quiet, windswept island at the heart of a treasonous royal plot.

If Sharks Disappeared *Roaring Brook Press*

A healthy ocean is home to many different kinds of animals. They can be big, like a whale, tiny, like a shrimp, and even scary, like a shark. Even though sharks can be scary, we need them to keep the oceans healthy. Unfortunately, due to overfishing, many shark species are in danger of extinction, and that can cause big problems in the oceans and even on land. What would happen if this continued and sharks disappeared completely? Artist Lily Williams explores how the disappearance would affect other animals across the whole planet in this clever book about the importance of keeping sharks, and our oceans, healthy.

All the Impossible Things *Roaring Brook Press*

A bit of magic, a sprinkling of adventure, and a whole lot of heart collide in *All the Impossible Things*, Lindsay Lackey's extraordinary middle-grade novel about a young girl navigating the foster care system in search of where she belongs. "Wise and wondrous, this is truly a novel to cherish." —Katherine Applegate, New York Times–bestselling author of *Wishtree* An Indies Introduce Selection

Red's inexplicable power over the wind comes from her mother. Whenever Ruby "Red" Byrd is scared or angry, the wind picks up. And being placed in foster care, moving from family to family, tends to keep her skies stormy. Red knows she has to learn to control it, but can't figure out how. This time, the wind blows Red into the home of the Grooves, a quirky couple who run a petting zoo, complete with a dancing donkey and a giant tortoise. With their own curious gifts, Celine and Jackson Groove seem to fit like a puzzle piece into Red's heart. But just when Red starts to settle into her new life, a fresh storm rolls in, one she knows all too well: her mother. For so long, Red has longed to have her mom back in her life, and she's quickly swept up in the vortex of her mother's chaos. Now Red must discover the possible in the impossible if she wants to overcome her own tornadoes and find the family she needs.

Welcome to Nowhere *Pan Macmillan*

Welcome to Nowhere is a powerful and beautifully written story about the life of one family caught up in civil war by the award-winning author Elizabeth Laird, shortlisted for the Scottish Teen Book Award and winner of the UKLA Book Award. Twelve-year-old Omar and his brothers and sisters were born and raised in the beautiful and bustling city of Bosra, Syria. Omar doesn't care about politics - all he wants is to grow up to become a successful businessman who will take the world by storm. But when his clever older brother, Musa, gets mixed up with some young political activists, everything changes . . . Before long, bombs are falling, people are dying, and Omar and his family have no choice but to flee their home with only what they can carry. Yet no matter how far they run, the shadow of war follows them - until they have no other choice than to attempt the dangerous journey to escape their homeland altogether. But where do you go when you can't go home? '[Sings] with truth' - The Times 'A muscular, moving, thought-provoking book' - Guardian 'Humane and empathetic . . . an effective call to action' - The Sunday Times 'Powerful, heart-breaking and compelling' - Scotsman

Love, Theodosia

A Novel of Theodosia Burr and Philip Hamilton *Simon and Schuster*

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find

ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

The Land Beyond the Sea *Penguin*

From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.

Wish *Macmillan*

From award-winning author Barbara O'Connor comes a middle-grade novel about a girl who, with the help of the dog of her dreams, discovers the true meaning of family.

Tales of the Cthulhu Mythos

Stories *Del Rey*

"The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In *Tales of the Cthulhu Mythos*, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: *The Call of Cthulhu* by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. *Notebook Found in a Deserted House* by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. *Cold Print* by Ramsey Campbell: An avid reader of forbidden

books finds a treasure trove of deadly volumes--available for a bloodcurdling price. _ The Freshman by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. PLUS EIGHTEEN MORE SPINE-TINGLING TALES!

No Country for Old Men *Vintage*

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. *No Country for Old Men* is a triumph.

Too Bright to See *Penguin*

A Newbery Honor Book • Winner of the Stonewall Book Award • A National Book Award Finalist "A gentle, glowing wonder, full of love and understanding." –The New York Times Book Review Cover may vary. It's the summer before middle school and eleven-year-old Bug's best friend Moira has decided the two of them need to use the next few months to prepare. For Moira, this means figuring out the right clothes to wear, learning how to put on makeup, and deciding which boys are cuter in their yearbook photos than in real life. But none of this is all that appealing to Bug, who doesn't particularly want to spend more time trying to understand how to be a girl. Besides, there's something more important to worry about: A ghost is haunting Bug's eerie old house in rural Vermont...and maybe haunting Bug in particular. As Bug begins to untangle the mystery of who this ghost is and what they're trying to say, an altogether different truth comes to light--Bug is transgender.

The definitive book about one of the Elizabeth Islands, off the coasts of Cape Cod and Martha's Vineyard. The former site of a leper colony, the island has most recently been the site of a school for troubled boys.

Bright and Distant Shores

A Novel *Simon and Schuster*

From the New York Times bestselling author of *The Last Painting of Sara de Vos* comes a sweeping historical novel set amid the skyscrapers of 1890s Chicago and the far-flung islands of the South Pacific. In the waning years of the nineteenth century there was a hunger for tribal artifacts, spawning collecting voyages from museums and collectors around the globe. In 1897, one such collector, a Chicago insurance magnate, sponsors an expedition into the South Seas to commemorate the completion of his company's new skyscraper--the world's tallest building. The ship is to bring back an array of Melanesian weaponry and handicrafts, but also several natives related by blood. Caught up in this scheme are two orphans—Owen Graves, an itinerant trader from Chicago's South Side who has recently proposed to the girl he must leave behind, and Argus Niu, a mission houseboy in the New Hebrides who longs to be reunited with his sister. At the cusp of the twentieth century, the expedition forces a collision course between the tribal and the civilized, between two young men plagued by their respective and haunting pasts. An epic and ambitious story that brings to mind E. L. Doctorow, with echoes of Melville and Robert Louis Stevenson, *Bright and Distant Shores* is a wondrous achievement by a writer known for creating compelling fiction from the fabric of history.

Strange Flowers

A Novel *Penguin*

AN POST IRISH BOOK AWARD NOVEL OF THE YEAR Longlisted for the Dublin Literary Awards “Mr. Ryan writes conspicuously beautiful prose... The fleeting happiness and abiding melancholy of the asymmetry, heightened by the intimately rendered surroundings, brings out Mr. Ryan’s most sensuous and emotive writing.” –The Wall Street Journal From the Booker nominated author of *From a Low and Quiet Sea*, Donal Ryan's new novel follows the Gladney family across three generations seeking the true meaning of what it is to find home and love. In 1973, twenty-year-old Moll Gladney takes a morning bus from her rural home in Ireland and disappears. Bewildered and distraught, Paddy and Kit must confront an unbearable prospect: that they will never see their daughter again. Five years later, Moll returns from London. What - and who - she brings with her will change the course of her family's life forever. Beautiful and devastating, this exploration of loss, alienation and the redemptive power of love reaffirms Donal Ryan as one of the most talented and empathetic writers at work today.

This uplifting story brings Korean folklore to life as a girl goes on a quest to unlock the power of stories and save her grandmother. Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the courage to face a tiger. Tae Keller, the award-winning author of *The Science of Breakable Things*, shares a sparkling tale about the power of stories and the magic of family. Think *Walk Two Moons* meets *Where the Mountain Meets the Moon*! "If stories were written in the stars ... this wondrous tale would be one of the brightest." --Booklist, Starred Review

The Stars My Destination *Orion Publishing Group*

Beyond the Bright Sea

Typescript Draft

Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's *Beyond the Bright Sea* is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

The Sun Will Come Out *Orca Book Publishers*

Twelve-year-old Bea Gelman and her best friend Frankie are planning the BEST SUMMER EVER at Camp Shalom—a sleep-away camp. But at the last minute, Frankie bows out, leaving painfully shy Bea on her own. Just talking to strangers causes Bea to break out into ugly, blotchy hives. As if the hives weren't bad enough, Bea gets pranked by a couple of girls in her cabin and is betrayed by someone she thought was a new friend. Bea has had enough! She decides to spend her summer in the infirmary far away from everything that's stressing her out. No more boys (including her crush, Jeremy), no more horrible mean girls, and no more fake friends! At the infirmary, Bea meets Harry, a boy facing challenges way more intense than stress breakouts. Inspired by Harry's strength and positive outlook, Bea decides to face her fears—in a big way. *The Sun Will Come Out* is a funny and heartwarming account of a shy girl's first summer away from home, where she learns she really can do anything and that silver linings can be found just about anywhere.

The Apothecary *Penguin*

It's 1952 and the Scott family has just moved from Los Angeles to London. Here, fourteen-year-old Janie meets a mysterious apothecary and his son, Benjamin Burrows - a fascinating boy who's not afraid to stand up to authority and dreams of becoming a spy. When Benjamin's father is kidnapped, Janie and Benjamin must uncover the secrets of the apothecary's sacred book, the *Pharmacopoeia*, in order to find him, all while keeping it out of the hands of their enemies - Russian spies in possession of nuclear weapons. Discovering and testing potions they never believed could exist,

Janie and Benjamin embark on a dangerous race to save the apothecary and prevent impending disaster. Together with Ian Schoenherr's breathtaking illustrations, this is a truly stunning package from cover to cover.
