The Last Lingua Franca English

English is the world's lingua franca-the most widely spoken language in human history. And yet, as historian and linguist Nicholas Ostler persuasively argues, English will not only be displaced as the world's language in the not-distant future, it will be the last lingua franca, not replaced by another.

The Last Lingua Franca: English Until the Return of Babel

...

The Last Lingua Franca from Nicholas Ostler is a tremendous book, packed full to the brim of interesting facts and what to me seemed like obscure details worth knowing. Never knew that Persian had been such an important language in the middle (and a bit further) east, good on you to the Malays for not embracing English too tightly when the time came to decide.

So it is with *The Last Lingua Franca, English Until the Return of Babel*, even with its surprising ending. Ostler writes not about a mother-tongue, a language which is learned naturally as a child, but rather a language learned deliberately for some purpose. These lingua francas bridge gaps between native speakers of different mother tongues.
