CliffsNotes study guides are written by real teachers and professors, so no matter what you're studying, CliffsNotes can ease your homework headaches and help you score high on exams. About CliffsNotes

Economics - CliffsNotes Study Guides
The prefix micro means small, indicating that microeconomics is concerned with the study of the market system on a small scale. Microeconomics looks at the individual markets that make up the market system and is concerned with the choices made by small economic units such as individual consumers, individual firms, or individual government agencies.
