Tessa Masterson Will Go To

Tessa Masterson Will Go to Prom is the story of a lesbian teen who just wants to go prom with her girlfriend... told almost entirely through the lens of her straight male best friend who feels slighted when she doesn't return his interest. Girls like Tessa are needed in young adult fiction, but I would prefer them to be the heroines of their own stories, not the motivation for someone else's.

Homosexuality is a part of life. Gay people are no different from any other people. While the coming out of Tessa's sexuality causes a huge disruption in her town, Tessa herself views it as a normal part of her life and takes everything in stride as angry as she is about the town's reaction. Tessa Masterson Will Go to Prom is a quick, light read. It isn't bogged down in detail, which may not appeal to those of you who like books filled with imagery, and only the main characters ...
