Dental Jurisprudence The Law Relating

This work is designed as a text-book for dental students, and as a manual of the

law relating to dentistry for the practitioner in that profession. An increasing number of States are requiring by law a knowledge of dental jurisprudence as a prerequisite to the right to practise dentistry, and it has seemed to the author that to provide a work comprehensively affording such knowledge would serve a useful purpose.

Dental jurisprudence is an area of the law pertaining to dental practice. It is a subset of medical jurisprudence, the laws covering medical practice in general, including legal requirements for patient safety, ethical boundaries, and

related matters. While in dental school, practitioners receive training in relevant areas of the law to make sure they comply with it once they start working.
