Introduction to Business Improv | Training Courses by The

...

Experiential learning is the process of learning through experience. It focuses on the learning process of the individual. It is far more effective in the acquisition of knowledge than traditional learning, where the learner plays a comparatively passive role. A surgeon doesn't learn how to cut just by reading a book.

Experiential Learning | Improv4Business

Overall, Business Improv is a welcome book, one that translates activities and practices from the world of improv comedy into the improv required to do business and bring people together. Recommended for anyone who is looking to shake their organization out of its preprogrammed or traditional way of thinking and gain the flexibility needed to find new answers to new questions.
