What is case management? - Family & Community Services

Case Management: Inclusive Community Practice is a consumer-directed social work text that provides health and human services workers with the theory, knowledge and skills to help the vulnerable. The second edition offers a strong in-depth overview of case management using case studies and reflective questions to teach readers to relate theory to practical situations.

Case Management - Elizabeth Moore - Oxford University Press

Conclusion The introduction of case management and community matrons may disrupt existing communities of practice and be perceived negatively, at least in areas where good working relationships between nurses and GPs have developed. Commissioners should be aware of the potential resistance to changes in skill mix and role in nursing services, and promote innovation in ways that minimise disruption to functional communities of practice.
