Cocktail Hour Under the Tree of Forgetfulness Penguin

"Fuller brings Africa to life, both its natural splendor and the harsher realities of day-to-day existence, and sheds light on her parents in all their humanness—not a glaring sort of light, but the soft equatorial kind she so beautifully describes in this memoir." —Bookpage A story of survival and war, love and madness, loyalty and forgiveness, *Cocktail Hour Under the Tree of Forgetfulness* is an intimate exploration of Fuller's parents, whom readers first met in *Don't Let's Go to the Dogs Tonight*, and of the price of being possessed by Africa's uncompromising, fertile, death-dealing land. We follow Tim and Nicola Fuller hopscotching the continent, restlessly trying to establish a home. War, hardship, and tragedy follow the family even as Nicola fights to hold on to her children, her land, her sanity. But just when it seems that Nicola has been broken by the continent she loves, it is the African earth that revives and nurtures her. *Cocktail Hour Under the Tree of Forgetfulness* is Fuller at her very best. Alexandra Fuller is the author of several memoirs: *Travel Light*, *Move Fast*, *Leaving Before the Rains Come* and *Don't Let's Go to the Dogs Tonight*.

Scribbling the Cat

Travels with an African Soldier

Penguin

When Alexandra ("Bo") Fuller was home in Zambia a few years ago, visiting her parents for Christmas, she asked her father about a nearby banana farmer who was known for being a "tough bugger." Her father's response was a warning to steer clear of him; he told Bo: "Curiosity scribbled the cat." Nonetheless, Fuller began her strange friendship with the man she calls K, a white African and veteran of the Rhodesian war. With the same fiercely beautiful prose that won her acclaim for *Don't Let's Go to the Dogs Tonight*, Fuller here recounts her friendship with K. K is, seemingly, a man of contradictions: tattooed, battle scarred, and weathered by farm work, he is a lion of a man, feral and bulletproof. Yet he is also a born-again Christian, given to weeping when he recollects his failed romantic life, and more than anything else welling up inside with memories of battle. For his war, like all wars, was a brutal one, marked by racial strife, jungle battles, unimaginable tortures, and the murdering of innocent civilians—and K, like all the veterans of the war, has blood on his hands. Driven by K's memories, Fuller and K decide to enter the heart of darkness in the most literal way—by traveling from Zambia through Zimbabwe (formerly Rhodesia) and Mozambique to visit the scenes of the war and to meet other veterans. It is a strange journey into the past, one marked at once by somber reflections and odd humor and featuring characters such as Mapenga, a fellow veteran who lives with his pet lion on a little island in the middle of a lake and is known to cope with his personal demons by refusing to speak for days on end. What results from Fuller's journey is a

remarkably unbiased and unsentimental glimpse of men who have killed, mutilated, tortured, and scrambled to survive during wartime and who now must attempt to live with their past and live past their sins. In these men, too, we get a glimpse of life in Africa, a land that besets its creatures with pests, plagues, and natural disasters, making the people there at once more hardened and more vulnerable than elsewhere. Scribbling the Cat is an engrossing and haunting look at war, Africa, and the lines of sanity.

From the bestselling author of *After the Crash*, "a novel so extraordinary it reminded me of reading Stieg Larsson for the first time" (*The Sunday Times*). Holidaying in an idyllic resort on the island of Réunion, wealthy Parisians Martial and Liane Bellion are enjoying the perfect family moment with their six-year-old daughter. Turquoise skies, clear water, palm trees, a warm breeze. Then Liane Bellion disappears from her hotel room. The door to her room is open, the walls and sheets are spotted with blood. A hotel employee swears he saw Martial in the corridor at the time Liane went missing, and he becomes the number one suspect. But then Martial also disappears, along with his daughter. An all-out manhunt is declared across the island. Could Martial really have killed his wife? For fans of *Gone Girl* and *The Fugitive*, Bussi's fast-paced, atmospheric thriller does not disappoint. "A nail biter of a manhunt across the spectacular terrain of the Indian Ocean island of Réunion drives this thriller after a tourist goes missing, triggering a police chase and exposing a cannily-constructed mystery with nods to both Agatha Christie and Harlan Coben." —The

Boston Globe "Suspenseful . . . vengeance proves a common passion on Réunion, as detailed in this twist-filled novel told from several characters' perspectives." —The Wall Street Journal "This novel, a multi-charactered French whodunit, squeezes all its frantic action into the 25 square miles of gorgeous but treacherous Réunion Island." —Toronto Star "A top-notch puzzle . . . A wonderfully immersive thriller." —Booklist

Leaving Before the Rains Come *Penguin*

The New York Times Bestseller from the author of *Travel Light*, *Move Fast* "One of the gutsiest memoirs I've ever read. And the writing--oh my god the writing."—Entertainment Weekly A child of the Rhodesian wars and daughter of two deeply complicated parents, Alexandra Fuller is no stranger to pain. But the disintegration of Fuller's own

marriage leaves her shattered. Looking to pick up the pieces of her life, she finally confronts the tough questions about her past, about the American man she married, and about the family she left behind in Africa. A breathtaking achievement, *Leaving Before the Rains Come* is a memoir of such grace and intelligence, filled with such wit and courage, that it could only have been written by Alexandra Fuller. *Leaving Before the Rains Come* begins with the dreadful first years of the American financial crisis when Fuller's delicate balance—between American pragmatism and African fatalism, the linchpin of her unorthodox marriage—irrevocably fails. Recalling her unusual courtship in Zambia—elephant attacks on the first date, sick with malaria on the wedding day—Fuller struggles to understand her younger self as she overcomes her current misfortunes. Fuller soon realizes what is missing from her life is something that was always there: the brash and uncompromising ways of her father, the man who warned his daughter that "the problem with most people is that they want to be alive for as long as possible without having any idea whatsoever how to live." Fuller's father—"Tim Fuller of No Fixed Abode" as he first introduced himself to his future wife—was a man who regretted nothing and wanted less, even after fighting harder and losing more than most men could bear. *Leaving Before the Rains Come* showcases Fuller at the peak of her abilities, threading panoramic vistas with her deepest revelations as a fully grown woman and mother. Fuller reveals how, after spending a lifetime fearfully waiting for someone to show up and save her, she discovered that, in the end, we all simply have to save ourselves. An unforgettable

book, *Leaving Before the Rains Come* is a story of sorrow grounded in the tragic grandeur and rueful joy only to be found in Fuller's Africa.

Disillusioned with academia, she's aiming for an analyst's spot in the private sector but after a year of rejections based on her over-qualification, she's dumbed down her resume in a desperate attempt to get her foot in the door somewhere—anywhere! When Buffalo's leading marine engineering firm offers her a low-level placement as a personal assistant, she's sure it can't get any worse, until she meets the woman she will be working for. Chief Innovation Officer and wounded veteran Georgie DiNamico doesn't want an assistant or anyone else bothering her. She has her work, her dog, and her nightmares to keep her company. Heir-apparent to her family's engineering firm, a head injury suffered in Afghanistan has left her feeling too broken for anything else. Georgie has no use for the helper that her family insists she hire. But when Tyler's resume lands on her desk, along with a company background check listing the advanced degrees she omitted, Georgie sees an opportunity to add a researcher to her R&D team. Tyler quickly realizes Georgie is not the damaged goods everyone sees. Thoughtful, forthcoming, and generous is Tyler's first impression of her would-be boss and it alleviates much of her trepidation. The outrageous salary and benefits help too, but working with the woman the family sees as shattered looks like the least of her challenges. She recognizes something special in

Georgie DiNamico, garnering trust, loyalty, and something more...something Tyler hasn't thought about for a very, very long time.

Let's Go (So We Can Get Back)

A Memoir of Recording and Discording with Wilco, Etc. *Penguin*

The singer, guitarist, and songwriter—best known for his work with Wilco—opens up about his past, his

songs, the music, and the people who have inspired him in this personal memoir. This ideal addition to your Wilco collection also makes a perfect gift for music lovers. *A New York Times Bestseller* *A Rolling Stone Best Music Books of 2018 selection* *A Pitchfork Pick: Best Music Books of 2018* Few bands have encouraged as much devotion as the Chicago rock band Wilco, and it's thanks, in large part, to the band's singer, songwriter, and guiding light: Jeff Tweedy. But while his songs and music have been endlessly discussed and analyzed, Jeff has rarely talked so directly about himself, his life, or his artistic process. Until now. In his long-awaited memoir, Jeff will tell stories about his childhood in Belleville, Illinois; the St. Louis record store, rock clubs, and live-music circuit that sparked his songwriting and performing career; and the Chicago scene that brought it all together. He also talks in-depth about his collaborators in Uncle Tupelo, Wilco, and more; and writes lovingly about his parents; wife, Susie; and sons, Spencer and Sammy. Honest, funny, and disarming, Tweedy's memoir will bring readers inside both his life and his musical process, illuminating his singular genius and sharing his story, voice, and perspective for the first time.

Travel Light, Move Fast *Penguin*

From bestselling author Alexandra Fuller, the utterly original story of her father, Tim Fuller, and a deeply felt tribute to a life well lived Six months before he died in Budapest, Tim Fuller turned to his daughter: "Let me tell you the secret to life right now, in case I suddenly give up the ghost." Then he lit his pipe and stroked his dog Harry's head. Harry put his paw on Dad's lap and they sat there, the two of them, one man and his dog,

keepers to the secret of life. "Well?" she said. "Nothing comes to mind, quite honestly, Bobo," he said, with some surprise. "Now that I think about it, maybe there isn't a secret to life. It's just what it is, right under your nose. What do you think, Harry?" Harry gave Dad a look of utter agreement. He was a very superior dog. "Well, there you have it," Dad said. After her father's sudden death, Alexandra Fuller realizes that if she is going to weather his loss, she will need to become the parts of him she misses most. So begins *Travel Light, Move Fast*, the unforgettable story of Tim Fuller, a self-exiled black sheep who moved to Africa to fight in the Rhodesian Bush War before settling as a banana farmer in Zambia. A man who preferred chaos to predictability, to revel in promise rather than wallow in regret, and who was more afraid of becoming bored than of getting lost, he taught his daughters to live as if everything needed to happen all together, all at once—or not at all. Now, in the wake of his death, Fuller internalizes his lessons with clear eyes and celebrates a man who swallowed life whole. A master of time and memory, Fuller moves seamlessly between the days and months following her father's death, as she and her mother return to his farm with his ashes and contend with his overwhelming absence, and her childhood spent running after him in southern and central Africa. Writing with reverent irreverence of the rollicking grand misadventures of her mother and father, bursting with pandemonium and tragedy, Fuller takes their insatiable appetite for life to heart. Here, in Fuller's Africa, is a story of joy, resilience, and vitality, from one of our finest writers.

Versify

Little Lobo, a Mexican American, and Bernabe, his dog, deliver supplies to vendors at the Mercado, a busy border town market.

Never Let Me Go *Vintage Canada*

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the

past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

The jihadists trust Abdi immediately because his older brother, Dahir, is already one of them, protégé to General Idris, aka the Butcher. If Abdi's duplicity is discovered, he will be killed. For weeks, Abdi trains with them, witnessing atrocity after atrocity, becoming a monster himself, wondering if he's even pretending anymore. To Love and Let Go

A Memoir of Love, Loss, and Gratitude *Simon and Schuster*

"Rachel beautifully illustrates that loving fiercely and grieving deeply are often two halves of the same whole. Her story will break you down and lift you up." —Glennon Doyle, author of the #1 New York Times bestseller *Love Warrior* and founder of *Together Rising* While on her way to teach a yoga retreat in March 2014, Rachel Brathen collapses at an airport, brought to her knees by excruciating stomach pains. She is rushed to the hospital on the tiny island of Bonaire, and hours later forced to undergo surgery. When she wakes up from anesthesia, her boyfriend is weeping at her bedside. While Rachel was struck down with seemingly

mysterious pain, her best friend, Andrea, sustained fatal injuries as a result of a car accident. Rachel and Andrea had a magical friendship. Though they looked nothing alike—one girl tall, blond, and Swedish, the other short, brunette, and Colombian—everyone called them gemelas: twins. Over the three years following Andrea's death, at what might appear from the outside to be the happiest time—with her engagement to the man she loves and a blossoming career that takes her all over the world—Rachel faces a series of trials that have the potential to define her life. Unresolved grief and trauma from her childhood make the weight of her sadness unbearable. At each turn, she is confronted again and again with a choice: Will she lose it all, succumb to grief, and grasp for control that's beyond her reach? Or can she move through the loss and let go? When Rachel and her husband conceive a child, pregnancy becomes a time to heal and an opportunity to be reborn herself. As she recounts this transformative period, Rachel shares her hard-won wisdom about life and death, love and fear, what it means to be a mother and a daughter, and how to become someone who walks through the fire of adversity with the never-ending practice of loving hard and letting go.

How Can I Let Go If I Don't Know I'm Holding On?

Setting Our Souls Free *Church Publishing, Inc.*

Letting go isn't just saying good-bye to people, places, and things—as important as they may be. It's also about letting go of attitudes and ideas—such as perfectionism, resentment, worry, and judgmentalism—that keep us from growing in our relationships with God and others. Letting go is crucial to our spiritual—and emotional—health. In *How Can I Let Go If I Don't Know I'm Holding On?*, Linda Douty examines a variety of letting-go struggles and offers ways to move on to a deeper spirituality. Weaving together her own experiences and the stories of others, she offers strategies for letting go of the things that keep us from a deeper relationship with the Divine. With practical suggestions and updated versions of spiritual classics such as *lectio divina*, plus questions for study and reflection, this book is a rich resource for personal spiritual growth as well as for group study.
