How To Activate Your Light Body - In5D : In5D

Light body activation is both an event (called an attunement) and a continuous unfolding that can only be understood through direct experience. You cannot read about it or observe it and gain the same benefits. There is no shortcut. In order to recognize and effectively work with different energetic frequencies you must be attuned to them. For what you are attuned to, you notice. Activating your light body is the equivalent to “upgrading your DNA” and often occurs in stages.

Activate Your Light Body — Like A Vitamin For Your Soul

According to Ariel, the Lightbody is gradually created through the transmutation of our current physical body as it mutates and absorbs more Light. Again this is interconnected with the realignment of our energy fields to higher frequencies and higher octaves of Light and the following information describes the actual physical process and common symptoms as this change occurs.
