Rising China And Asian Democratization

But in China, the ruling communist party resists democratization, in part because its leaders believe it would lead to China's permanent decentering in world history. As China's power increases, the party could begin restructuring global culture by inspiring actors in other Asian countries to uphold or restore authoritarian rule.

Rising China and Asian Democratization: Socialization to ...

This book argues that democratization is inherently international: states democratize through a process of socialization to a liberal-rational global culture. This can clearly be seen in Taiwan and Thailand, where the elites and attentive public w accept democracy as universally valid. But in China, the ruling communist party resists democratization, in part because its leaders believe it would lead to China's permanent decentering in world history.
