Memories for a Feminist Future

Feminism And Film Oxford Readings

This book brings together carefully selected essays on feminism and film with a view to tracing major developments in theory, criticism, and practices of women and cinema from 1973 to the present day. It illuminates the powerful, if controversial, role feminist research has played in the emergence of Film Studies as a discipline during these years; reprinting influential 1970s pioneering essays tracing the ensuing debates and challenges to key theories that shaped this field in the next two ...
