Nuclear Weapons Solutions

Nuclear weapons are meant to deter nuclear attacks from other countries. However, current policy allows the United States to begin a nuclear war by being the first to use nuclear weapons in a conflict—in response to a non-nuclear attack by North Korea, Russia, or China. A "no-first-use" policy would take this option off the table. The United States could pledge that it will never be the first to use a nuclear weapon, regardless of the circumstances.
