Therefore the cleanness of the compressed air is crucial. TANABE Oil-free screw compressors have adopted the twin-screw design with non-contact type special coating, and 2-stage type shaft sealing device that prevents the air leakage. This module makes possible the extremely clean air without lubrication.

Marine Compressors

With the advantages of the screw type, this high pressure compressor is made to operate for various purposes.

Recommended full O/H time is 100,000h (TASK-OF55—110).

This oil-free air-end which has the virtue of high durability has achieved the most

stringent air quality by limiting oil contamination as much as possible.
