A Critical History of Greek Philosophy (Greek History ...

The critical philosophy (German: kritische Philosophie) movement, attributed to Immanuel Kant (1724–1802), sees the primary task of philosophy as criticism rather than justification of knowledge. Criticism, for Kant, meant judging as to the possibilities of knowledge before advancing to knowledge itself (from the Greek *kritike* (techne), or "art of judgment").

Critical philosophy - Wikipedia

Critical theory is an approach to social philosophy which focuses on providing a reflective assessment and critique of society and culture in order to reveal and challenge power structures. With origins in sociology , as well as in literary criticism , [citation needed] it argues that social problems are influenced and created more by societal structures and

cultural assumptions than by ...

Philosophy of history is the philosophical study of history and its discipline. The term was coined by French philosopher Voltaire. In contemporary philosophy a distinction has developed between speculative philosophy of history and critical philosophy of history, now referred to as analytic. The former

questions the meaning and purpose of the historical process whereas the latter studies the foundations and implications of history and the historical method. The names of these are derived from C
