NATIONAL BESTSELLER

• National Book Award Finalist • Winner of the PEN/Faulkner Award

The acclaimed author of *When the Emperor Was Divine* tells the story of a group of young women brought from Japan to San Francisco as “picture brides” a century ago in this “understated masterpiece ... that unfolds with great emotional power” (San Francisco Chronicle). In eight unforgettable sections, *The Buddha in the Attic* traces the extraordinary lives of these women, from

their arduous journeys by boat, to their arrival in San Francisco and their tremulous first nights as new wives; from their experiences raising children who would later reject their culture and language, to the deracinating arrival of war. Julie Otsuka has written a spellbinding novel about identity and loyalty, and what it means to be an American in uncertain times. Don’t miss Julie Otsuka’s new novel, *The Swimmers*, coming in February 2022!

The Buddha in the Attic *Penguin UK*

Julie Otsuka's *The Buddha in the Attic*, the follow-up to *When the Emperor Was Divine* was shortlisted for the 2011 National Book Award for Fiction and the 2011 Los

Angeles Times Book Prize, and winner of the Pen Faulkner Award for Fiction 2012. Between the first and second world wars a group of young, non-English-speaking Japanese women travelled by boat to America. They were picture brides, clutching photos of husbands-to-be whom they had yet to meet. Julie Otsuka tells their extraordinary, heartbreaking story in this spellbinding and poetic account of strangers lost and alone in a new and deeply foreign land. 'Sweeping, symphonic, empathic . . . subtle, infinitely skilful . . . an exhilarating, compulsive read. Otsuka's haunting, heartbreaking conclusion, in the aftermath of Pearl

Harbor, is faultless' Daily Mail 'A tender, nuanced, empathetic exploration of the sorrows and consolations of a whole generation of women . . . the distaff equivalent of a war memorial' Daily Telegraph 'A haunting and heartbreaking look at the immigrant experience . . . Otsuka's keenly observed prose manages to capture whole histories in a sweep of gorgeous incantatory sentences' Marie Claire 'An understated masterpiece... she conjures up the lost voices of a generation of Japanese American women without losing sight of the distinct experience of each' San Francisco Chronicle Julie Otsuka was born and raised in

California. She is the author of the novel *When the Emperor Was Divine*, and a recipient of the Asian American Literary Award, the American Library Association Alex Award, and a Guggenheim fellowship. Her second novel, *The Buddha in the Attic*, was nominated for the 2011 National Book Award. She lives in New York City.

When the Emperor Was Divine *Anchor*

From the bestselling, award-winning author of *The Buddha in the Attic*, this commanding debut novel paints a portrait of the Japanese incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day

in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and

loneliness, the unheralded feats of heroism. When the Emperor Was Divine is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don't miss Julie Otsuka's new novel, *The Swimmers*, coming in February 2022!

The Swimmers

A novel *Knopf*

NATIONAL BEST SELLER • From the best-selling, award-winning author of *The Buddha in the Attic* and *When the Emperor Was Divine* comes a novel about what happens to a group of obsessed recreational swimmers when a crack appears at the bottom of their local pool. This searing, intimate story of

mothers and daughters—and the sorrows of implacable loss—is the most commanding and unforgettable work yet from a modern master. The swimmers are unknown to one another except through their private routines (slow lane, medium lane, fast lane) and the solace each takes in their morning or afternoon laps. But when a crack appears at the bottom of the pool, they are cast out into an unforgiving world without comfort or relief. One of these swimmers is Alice, who is slowly losing her memory. For Alice, the pool was a final stand against the darkness of her encroaching dementia. Without the fellowship of other swimmers and the

routine of her daily laps she is plunged into dislocation and chaos, swept into memories of her childhood and the Japanese American incarceration camp in which she spent the war. Alice's estranged daughter, reentering her mother's life too late, witnesses her stark and devastating decline.

Madeleine Is Sleeping

A Novel *Farrar, Straus and Giroux*

A National Book Award Finalist, Sarah Shun-lien Bynum's enchanting and inventive first novel is a groundbreaking, contemporary classic. When a girl falls into a mysterious, impenetrable sleep, the borders between her provincial French

village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband's viol. Madeleine, the dreamer, travels in their midst, trying to make sense of her own metamorphosis. She leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love. Embracing the earthy and the ethereal, the comical and the poignant, *Madeleine Is Sleeping* is part fairy tale, part coming-of-age story, and above all, an adventure in the discovery of art,

sexuality, community, and the self.

The Ministry of Special Cases *Faber & Faber*

Kaddish Poznan chips the names off gravestones for a living, removing traces of disreputable ancestors for their more respectable kin. His wife Lillian works in insurance, earning money when people live longer than they fear. As Argentina's Dirty War unfolds around them, their sometimes hilarious misadventures are soon replaced by something much darker. A visit to the dreaded Ministry of Special Cases is only the start of Englander's stunning vision of a nation in the hold of corruption and torture, a place where

absurdity, despair and hope are the end products of a bureaucracy run out of control.

Collective Trauma and Its Narrative Techniques. Julie Otsuka's "When the Emperor Was Divine" and "The Buddha in the Attic"

GRIN Verlag

Seminar paper from the year 2020 in the subject English Language and Literature Studies - Literature, grade: 2.0, University of Freiburg (Englisches Seminar), language: English, abstract: Julie Otsuka novels "When the Emperor was Divine"(2002) and "The Buddha in the Attic" (2011) narrate the collective trauma experienced by Japanese immigrants in

America during the Second World War. With the help of different narrative techniques, both novels communicate the collective trauma to the contemporary reader. This paper analyses the different narrative strategies and their effects on the Western reader in greater detail through traditional close reading strategies. While "When the Emperor was Divine" narrates the collective trauma through alternating, individual perspectives of a representative Japanese family, "The Buddha in the Attic" manages to create a more powerful communal voice with its consistent first-person plural narration.

The Girl with Ghost Eyes

The Daoshi Chronicles, Book One *Simon and Schuster*

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions

of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated

Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our

**Sometimes I Think
About It**

Essays *Graywolf Press*

An essay collection by a writer who “may be writing under . . . the influence of genius” (*Vanity Fair*) In *Sometimes I Think About It*, Stephen Elliott gathers personal essays, reportage, and profiles written over fifteen years to tell a powerful story about outsiders and underdogs. Moving from the self to the civic, the book begins with a series of essays that trace Elliott’s childhood with an abusive and erratic father, his life on the streets as a teenager, and his growing interest in cross-dressing and masochism. These stories, which range from a comic portrait of a week spent hosting his younger brother to a brutal

depiction of depression, provide a context for the essays that follow. Stepping out into the world, Elliott tells of a man who loses his family in a rock slide in Southern California, explores the vexing realities of life in Palestine, and paints a chilling picture of a young man caught in the prison-industrial complex. The last section, “The Business of America Is Business,” shows Elliott’s abiding interest in the spectacle of money in America, from pop music to pornography to publishing, and it concludes with an off-kilter account of the tech industry’s assault on West Los Angeles. Building on the extraordinary storytelling that characterized his

breakout book, *The Adderall Diaries*, Elliott's search for dignity and happiness leads him to tell with great sympathy the stories of those who are broken and seek to be whole.

Speak, Okinawa

A Memoir *Vintage*

A "hauntingly beautiful memoir about family and identity" (NPR) and a young woman's journey to understanding her complicated parents—her mother an Okinawan war bride, her father a Vietnam veteran—and her own, fraught cultural heritage.

Elizabeth's mother was working as a nightclub hostess on U.S.-occupied Okinawa when she met the American soldier who would become her husband. The language barrier and power imbalance that defined their early relationship followed them to the predominantly white, upstate New York suburb where they moved to raise their only daughter. There, Elizabeth grew up with the trappings of a typical American childhood and adolescence. Yet even though she felt almost no connection to her mother's distant home, she also felt out of place among her peers. Decades later, Elizabeth comes to recognize the shame and self-loathing that haunt both her and her

mother, and attempts a form of reconciliation, not only to come to terms with the embattled dynamics of her family but also to reckon with the injustices that reverberate throughout the history of Okinawa and its people. Clear-eyed and profoundly humane, *Speak*, Okinawa is a startling accomplishment—a heartfelt exploration of identity, inheritance, forgiveness, and what it means to be an American.

The Best American Short Stories 2012

Houghton Mifflin Harcourt

Presents twenty of the best works of short fiction of the past year from a variety of acclaimed sources.

The Wives of Los Alamos *A&C Black*

Their average age was twenty-five. They came from Berkeley, Cambridge, Paris, London and Chicago – and arrived in New Mexico ready for adventure or at least resigned to it. But hope quickly turned to hardship in the desolate military town where everything was a secret, including what their husbands were doing at the lab. They lived in barely finished houses with a P.O. Box for an address, in a town

wreathed with barbed wire, all for the benefit of 'the project' that didn't exist as far as the greater world was concerned. They were constrained by the words they couldn't say out loud, the letters they couldn't send home, the freedom they didn't have. Though they were strangers, they joined together – babies were born, friendships were forged, children grew up. But then 'the project' was unleashed and even bigger challenges faced the women of Los Alamos, as they struggled with the burden of their contribution towards the creation of the most destructive force in mankind's history – the atomic bomb. Contentious, gripping and intimate, The

Wives of Los Alamos is a personal tale of one of the most momentous events in our history.

Book Club in a Bag

All My Cats *New Directions Publishing*

A literary master's story about the aggravations and great joys of cats, from "a most sophisticated novelist, with a gusting humor and a hushed

tenderness of detail" (Julian Barnes) In the autumn of 1965, flush with the unexpected success of his first published books, the Czech author Bohumil Hrabal bought a cottage in Kersko, about an hour's drive east of Prague. From then until his death in 1997, he divided his time between Prague and Kersko, where he wrote and tended to a community of feral cats. Over the years, his relationship to cats grew deeper and more complex, becoming a measure of the pressures, both private and public, that impinged on his life as a writer. Despite the tender love he feels for the cats, especially his favorites who share his bed, there are moments of intense violence—as he

controls the feline population explosion explosively. *All My Cats*, written in 1983 after a serious car accident, is best seen as a confessional memoir, the chronicle of an author who becomes overwhelmed by his cats and his life, and is driven to the brink of madness by the dilemmas his indulgent love for the animals have created. In the end, *All My Cats* becomes a book about Hrabal's relationship to nature, about the unlikely sources of redemption that come to him unbidden, like a gift from the cosmos—and about love.

In these buoyant and inventive stories, Karen Tei Yamashita transfers classic tales across boundaries and questions what an inheritance—familial, cultural, emotional, artistic—really means. In a California of the sixties and seventies, characters examine the contents of deceased relatives' freezers, tape-record high school locker-room chatter, or collect a community's gossip while cleaning the teeth of its inhabitants. Mr. Darcy is the captain of the football team, Mansfield Park materializes in a suburb of L.A., bake sales replace ballroom dances, and station wagons, not horse-drawn carriages, are the preferred mode of transit. The stories of

traversing class, race, and gender leap into our modern world with and humor.

The Penguin Book of the Modern American Short

Story Penguin

A selection of the best and most representative contemporary American short fiction from 1970 to 2020, including such authors as Ursula K. LeGuin, Toni Cade Bambara, Jhumpa Lahiri, Sandra Cisneros, and Ted Chiang, hand-selected by celebrated editor and anthologist John Freeman. In the past fifty years, the American short story has changed dramatically. New voices, forms, and mixtures of styles have brought this unique genre a thrilling burst of energy. The Penguin Book of the Modern American Short Story celebrates this avalanche of talent. This rich anthology begins in 1970 and brings together a half

century of powerful American short stories from all genres, including—for the first time in a collection of this scale—science fiction, horror, and fantasy, placing writers such as Ursula K. Le Guin, Ken Liu, and Stephen King next to some beloved greats of the literary form: Raymond Carver, Grace Paley, Chimamanda Ngozi Adichie, and Denis Johnson. Culling widely, John Freeman, the former editor of *Granta* and now editor of his own literary annual, brings forward some astonishing work to be regarded in a new light. Often overlooked tales by Dorothy Allison, Percival Everett, and Charles Johnson will recast the shape and texture of today's enlarging

atmosphere of literary dialogue. Stories by Lauren Groff and Ted Chiang raise the specter of engagement in ecocidal times. Short tales by Tobias Wolff, George Saunders, and Lydia Davis rub shoulders with near novellas by Susan Sontag and Andrew Holleran. This book will be a treasure trove for readers, writers, and teachers alike.

story: Since the Japanese occupation of Korea, their family has lost a daughter in every generation, and Janie is told to keep Hannah safe. Years later, when Hannah inexplicably cuts all ties and disappears, Janie goes to find her. Thus begins a journey that will force her to confront her family's painful silence, the truth behind her parents' sudden move to America twenty years earlier, and her own conflicted feelings toward Hannah. Weaving Korean folklore within a modern narrative of immigration and identity, *Forgotten Country* is a fierce exploration of the inevitability of loss, the conflict between obligation and freedom, and a family

struggling to find its way out of silence and back to one another.

The Buddha of Suburbia *Faber & Faber Limited*

"My name is Karim Amir, and I am an Englishman born and bred, almost..." The hero of Hanif Kureishi's debut novel is dreamy teenager Karim, desperate to escape suburban South London and experience the forbidden fruits which the 1970s seem to offer. When the unlikely opportunity of a life in the theatre announces itself, Karim starts to win the sort of attention he has been craving - albeit with some rude and raucous results. With the publication of *Buddha of Suburbia*, Hanif Kureishi landed into the literary landscape

as a distinct new voice and a fearless taboo-breaking writer. The novel inspired a ground-breaking BBC series featuring a soundtrack by David Bowie.

A Parchment of Leaves *Algonquin Books*

When Silas House made his debut with *Clay's Quilt* last year, it touched a nerve not just in his home state (where it quickly became a bestseller), but all across the country. Glowing reviews-from *USA Today* (House is letter-perfect with his first novel), to the *Philadelphia Inquirer* (Compelling. . . . House knows what's important and reminds us of the value of family and home, love and loyalty), to the

Mobile Register (Poetic, haunting), and everywhere in between-established him as a writer to watch. His second novel won't disappoint. Set in 1917, *A Parchment of Leaves* tells the story of Vine, a beautiful Cherokee woman who marries a white man, forsaking her family and their homeland to settle in with his people and make a home in the heart of the mountains. Her mother has strange forebodings that all will not go well, and she's right. Vine is viewed as an outsider, treated with contempt by other townspeople. Add to that her brother-in-law's fixation on her, and Vine's life becomes more complicated than she could have ever imagined. In the

violent turn of events that ensues, she learns what it means to forgive others and, most important, how to forgive herself. As haunting as an old-time ballad, *A Parchment of Leaves* is filled with the imagery, dialect, music, and thrumming life of the Kentucky mountains. For Silas House, whose great-grandmother was Cherokee, this novel is also a tribute to the family whose spirit formed him.

So begins Imbolo Mbue’s powerful second novel, *How Beautiful We Were*. We, the Drowned

*Houghton Mifflin
Harcourt*

Explore the wondrous sea and the oddities of human nature in this international bestselling, thrilling epic novel of a Danish port town. Hailed in Europe as an instant classic, *We, the Drowned* is the story of the port town of Marstal, Denmark, whose inhabitants sailed the world from the mid-nineteenth century to the end of the Second World War. The novel tells of ships wrecked and blown up in wars, of places of terror and violence that continue to lure each generation; there are cannibals here, shrunken heads,

prophetic dreams, and miraculous survivals. The result is a brilliant seafaring novel, a gripping saga encompassing industrial growth, the years of expansion and exploration, the crucible of the first half of the twentieth century, and most of all, the sea. Called "one of the most exciting authors in Nordic literature" by Henning Mankell, Carsten Jensen has worked as a literary critic and a journalist, reporting from China, Cambodia, Latin America, the Pacific Islands, and Afghanistan. He lives in Copenhagen and Marstal. "We, the Drowned sets sail beyond the narrow channels of the seafaring genre and approaches Tolstoy in

its evocation of war's confusion, its power to stun victors and vanquished alike...A gorgeous, unsparing novel."—Washington Post "A generational saga, a swashbuckling sailor's tale, and the account of a small town coming into modernity—both Melville and Steinbeck might have been pleased to read it."—New Republic "Dozens of stories coalesce into an odyssey taut with action and drama and suffused with enough heart to satisfy readers who want more than the breakneck thrills of ships battling the elements."—Publishers Weekly (starred)

Sons of Mississippi

A Story of Race and Its Legacy *Vintage*

They stand as unselfconscious as if the photograph were being taken at a church picnic and not during one of the pitched battles of the civil rights struggle. None of them knows that the image will appear in *Life* magazine or that it will become an icon of its era. The year is 1962, and these seven white Mississippi lawmen have gathered to stop James Meredith from integrating the University of Mississippi. One of them is swinging a billy club. More than thirty years later, award-winning journalist and author Paul Hendrickson sets out to discover who these men were, what happened to them after the photograph was taken, and how racist attitudes shaped the way they lived their lives. But his ultimate focus is on their children and grandchildren, and how the prejudice bequeathed by the fathers was transformed, or remained untouched, in the sons. *Sons of Mississippi* is a scalding yet redemptive work of social history, a book of eloquence and subtlety that tracks the movement of racism across three generations and bears witness to its ravages among both black and white Americans.
