Description When Sybella arrived at the doorstep of St Mortain half mad with grief and despair, the convent was only too happy to offer her refuge - but at a price. 'Dark Triumph' is a major improvement over the first novel, 'Grave Mercy'. Firstly, our heroine this time is Sybella whose history is very dark and troubled. She had a horrible childhood and reading about what she was subjected to made for some tough moments. The story-line has more action that moved the plot along at a reasonable pace.
