Excellent text book and the only one I have ever read cover to

cover. I read the 2016 edition. My only criticism is that some sections were lacking in light of more current research (especially the chapter on sleep). The authors were funny and engaging. This is a great introduction to the field of biopsychology.

Biopsychology by John P.J. Pinel - Goodreads

For this edition, original author John Pinel is joined by new co-author Steven Barnes, an educator, researcher, and visual artist who brings his knowledge to bear on the updated Tenth Edition. Throughout Biopsychology, the authors emphasize the big picture, focusing on four broad themes that provide excellent topics for essay

assignments and exam questions.
