A Sight for Sore Eyes

A Novel *Dell*

A Sight for Sore Eyes tells three stories, and for the longest time, the reader has no inkling of how they will come together. The first is a story of a little girl who has been scolded and sent to her room when her mother is brutally murdered; as Francine grows up, she is haunted by the experience, and it is years before she even speaks. Secondly, we become privy to the life of a young man, Teddy, born of unthinking young parents, who grows up almost completely ignored. Free of societal mores, he becomes a sociopath, who eventually discovers that killing can be an effective way to get what he wants. Thirdly, we meet Harriet, who from an early age has learned to use her beauty to make her way in the world. Bored by marriage to a wealthy, much older man, she scans the local newspapers for handymen to perform odd jobs around the house, including services in the bedroom. When these three plots strands finally converge, the result is harrowing and unforgettable. A Sight for Sore Eyes is not just the work of a writer at the peak of her craft. It is an extraordinary story by a writer who, after 45 books, countless awards, and decades of international acclaim, is still getting better with every book.

Talking to Strange Men *Open Road Media*

A lonely man stumbles into a dangerous game in this twisting novel of psychological suspense by the New York Times–bestselling author of The Crocodile Bird. In a desolate alley on the bank of the Thames, a spy slips through the shadows. Mungo is the Director General of English intelligence, and he knows Moscow Centre has been watching him for weeks, but there is no spy in London better at losing a tail. Satisfied he hasn't been followed, he drops off his message and disappears into the night. It's a classic scene of Cold War espionage, save for one detail: Mungo isn't a spy at all. He's a teenager, playing an epic game of make-believe. John Creevey, still reeling from the implosion of his marriage, is dreaming of taking revenge against his wife’s lover when he discovers one of Mungo’s coded signals. Unaware that the message is simply part of a child’s game, he becomes obsessed with uncovering the rest of the spy network—a tragic misunderstanding that threatens to turn this imaginary war into something very real—and very deadly. “Rendell has brilliantly interwoven these compelling strands into one masterful tale of suspense,” writes Library Journal. Three-time Edgar Award winner Ruth Rendell was a master of psychological suspense, and Talking to Strange Men is one of the most unusual espionage stories in the history of the Cold War.

Dark Corners

A Novel *Simon and Schuster*

"When his father dies, Carl Martin inherits a house in an increasingly rich and trendy London neighborhood. Carl needs cash, however, so he rents the upstairs room and kitchen to the first person he interviews, Dermot McKinnon. That was colossal mistake number one. Mistake number two was keeping his father's bizarre collection of homeopathic "cures" that he found in the medicine cabinet, including a stash of controversial diet pills. Mistake number three was selling fifty of those diet pills to a friend, who is then found dead. Dermot seizes a nefarious opportunity and begins to blackmail Carl, refusing to pay rent, and creepily invading Carl's space. Ingeniously weaving together two storylines that finally merge in one shocking turn, Ruth Rendell describes one man's spiral into darkness--and murder--as he falls victim to a diabolical foe he cannot escape."--

She and her mother would be climbing the stairs, following Heather's lead through the bedroom to what was on the other side, not a bathroom in the dream but a chamber floored and walled in marble. In the middle of it was a glassy lake. The white thing in the water floated towards her, its face submerged, and her mother said, absurdly, “Don't look!” The dead man was Ismay's stepfather, Guy. Now, nine years on, she and her sister, Heather, still live in the same house in Clapham. But it has been divided into two self-contained flats. Their mother had lived upstairs with her sister, Pamela. And the bathroom, where Guy had drowned, had disappeared. Ismay worked in public relations, and Heather in catering. They got on well. They always had. They never discussed the changes to the house, still less what had happened that August day. . . But even lives as private as these, where secrets hang in the air like dust, intertwine with other worlds and other individuals. And, with painful inevitability, the truth will emerge.

A Spot of Folly

Ten and a Quarter New Tales of Murder and Mayhem *Open Road Media*

A spine-tingling anthology by the New York Times–bestselling author and master of “psychological insight . . . and, not infrequently, teeth-chattering terror” (The New York Times). These never-before-collected stories by Ruth Rendell—the three-time Edgar Award-winning mistress of dark suspense and one of the most celebrated thriller writers of the twentieth century—are “deliciously riveting, all the more so because Rendell's extraordinary ability to delve coolly and forensically into the dustiest nooks of the human psyche is amplified, not diminished, by the short story form. . . . Often the reader is taken by the throat” (The Guardian). In “The Thief,” a chance encounter with a stranger

triggers the most destructive impulses in a vindictive pathological liar. A family shares an unnamable feeling of dread and a necessary denial to make it through the night in “Trebuchet.” In the title story, a caddish boor can’t help but boast of his infidelities. A historic murder weighs heavy on the unholy reputation of a quaint local landmark in “The Haunting of Shawley Rectory.” And in “Never Sleep in a Bed Facing a Mirror,” Rendell delivers a masterstroke of gasp-inducing brevity. Here are tales of mystery, madness, terrible crimes, and chilling perdition, all dispatched with a wit so knife-edged and deviousness, so impeccably cool that it’s little wonder Joyce Carol Oates hails Ruth Rendell as “one of the finest practitioners of her craft.”

How Should One Read a Book? *Renard Press Ltd*

A short, thoughtful piece by Virginia Woolf on reading. ‘I have sometimes dreamt, at least, that when the Day of Judgement dawns and the great conquerors and lawyers and statesmen come to receive their rewards – their crowns, their laurels, their names carved indelibly upon imperishable marble – the Almighty will turn to Peter and will say, not without a certain envy when he sees us coming with our books under our arms, ‘Look, these need no reward. We have nothing to give them here. They have loved reading.’
