Guiding Yogas Light Yoga Lessons

guiding yoga's light: lessons for yoga teachers is full of themes! But the book is so much more than that, as author Nancy Gerstein presents each theme as an actual "lesson." So, she gives the reader information on an intention, breath awareness/warm-ups, asana practice, OFF the mat practice (love this!), and finally, "words of wisdom"--

something I generally call "reflections" in my own teaching.
