He has previously worked as a journalist. He was general secretary of the Fabian Society think tank from 2003 to 2011, and was previously a leader writer and internet editor at The Observer, a research director of the Foreign Policy Centre and commissioning editor for politics and economics at the publisher Macmillan.

Taking Soundings

The development of sounds generally occurs in a sequential process. Mastering different speech sounds occurs as a child grows and develops as part of their speech development. Children are not expected to use all speech sounds correctly. The guide below is based on 75% of children within each stage. It is not expected that 100% of children will fall into each age guide at that age.
