Rated 1 out of 5 by disapointed1234 from A big disappointment I was a proud owner of a 5712 Steamer with a digital timer and when it finally gave up the ghost after 5 years of daily use I wanted to buy another Oster product. Oster's web site says the 5712 is no longer being made & suggested this model as a replacement. What a big disappointment. It's an inferior product in every way imaginable.
