Rhyme and rhythmic text paired with picture clues help children decode the story.

Dr. Seuss' how the Grinch Stole Christmas

A Novelization

Carnal Israel

Reading Sex in Talmudic Culture *Univ of California Press*

Beginning with a startling endorsement of the patristic view of Judaism—that it was a "carnal" religion, in contrast to the spiritual vision of the Church—Daniel Boyarin argues that rabbinic Judaism was based on a set of assumptions about the human body that were profoundly different from those of Christianity. The body—specifically, the sexualized body—could not be renounced, for the Rabbis believed as a religious principle in the generation of offspring and hence in intercourse sanctioned by marriage. This belief bound men and women together and made impossible the various modes of gender separation practiced by early Christians. The commitment to coupling did not imply a resolution of the unequal distribution of power that characterized relations between the sexes in all late-antique societies. But Boyarin argues strenuously that the male construction and treatment of women in rabbinic Judaism did not rest on a loathing of the female body. Thus, without ignoring the currents of sexual domination that course through the Talmudic texts, Boyarin insists that the rabbinic account of human sexuality, different from that of the Hellenistic Judaisms and Pauline Christianity, has

something important and empowering to teach us today.

How the Grinch Stole Christmas! Grinch and Bear It

Life According to the Supreme Green Meanie *Random House Books for Young Readers*

"Quotes" from the Grinch himself and the residents of Who-ville offer an insightful look at the life of this big green meany, in a colorfully illustrated book based on the new movie starring Jim Carrey. 100,000 first printing.
