A Shoulder to Cry on

A shoulder to cry on *Gramedia Pustaka Utama*

"Damar tahu sejak awal apa yang dilaluinya salah. Berjuang untuk hidup bersama adiknya setelah kedua orangtua mereka bercerai membuat Damar terpaksa menentukan pilihan yang salah dalam hidupnya. Pilihan yang baru terasa benar-benar salah setelah ia bertemu dengan Imelda, seseorang yang seharusnya tidak pernah ia cintai karena ia merasa tidak pernah layak merasakan cinta. Andai rasa cinta bisa dengan mudah diredam dan dihentikan, tentu Damar akan memilih hidup tanpa perasaan itu. Sayang itu tidak semudah yang dibayangkannya, di tengah perjuangannya untuk melindungi adiknya, Danu, dan seorang gadis malang bernama Anka, yang belakangan mulai disayanginya. Damar harus tetap menyisakan sedikit ruang dalam hatinya untuk merasakan sakit, saat cinta perlahan-lahan menyadarkannya bahwa ia tidak pantas menerima dan memberikan cinta. Di saat cinta tidak dapat tergapai dengan sempurna, di saat harapan seketika sirna, mungkinkah penyesalan masih tetap berguna? " uot;"

A Shoulder to Cry On

Shoulder Series Vol 1

Edited and revised August 2015 Patricia just received her college degree. With it, she is stepping into a good position. After years of putting her shoulder to the grindstone, she thinks she's finally put her difficult years behind her. It isn't long she realizes how wrong she was. Now her world is falling apart and she could really use a shoulder to cry on. Unfortunately, the only man offering his shoulder is a man she can't trust. She knows nothing about him and he's making sure it stays that way. If you plan on reading this one, you may as well get ready for a bunch of tears. You won't need to add any of yours; Pat's already shedding plenty. Oh, and by the way, I might also mention someone is trying to kill her. Then again, that's a small matter considering everything else that has gone wrong.

Nomadic Musings *Blue Hill Publications*

Nomadic Musings is a collection of 12 short stories and 10 poems. Some are life experiences of the author, some based on the stories of people known to him with an added element of imagination and rest purely a work of fiction. The themes of these short stories and poems would definitely resonate with the reader as they depict the life of common people. The pain of someone losing his unborn child, relationship with teachers who moulded his career and character, philosophy of life through the eyes of a child, being hopeful against all odds during a crisis, hallucinations of a disturbed mind, heart breaks from infatuations, outcry against discrimination and the desire to go back in time are some of the themes in this collection.

Merle Haggard

Poet of the Common Man : the Lyrics *Hal Leonard Corporation*

Merle Haggard is known as "the poet of the common man." His songs are some of the most important and influential in the history of country music, on par with the likes of those by Jimmie Rodgers and Hank Williams. Through a life as tumultuous as his music, scarred by struggles with inner demons, incarceration and addiction - all of which he has brutally and directly confronted through his lyrics - Haggard has emerged with an American songbook that captures the rough side of life with an unblinking eye gazing on the workings of the human heart. This collection comes on the heels of his acclaimed album *If I Could Only Fly*, his first new studio album in four years, which finds the former wildman coping with aging, taking on familial responsibilities, and learning to appreciate the wonders of home life versus the pitfalls of the highway. Haggard's lyrics demonstrate why this acclaimed member of the Country Music Hall of Fame is a legend who will live forever.

Webster's New World: American Idioms Handbook *Houghton Mifflin Harcourt*

The largest barrier to fluency in English is the ability to understand and use idiomatic language. Webster's New World American Idioms Handbook walks readers through learning and using American idioms, with complete explanations for over 1,000 idioms. Emphasizing acquisition, application, and understanding, this book offers all the information readers need to know about when, where, why, and how to use them. It includes a wealth of examples to provide users with context. Thorough explanations help readers identify which idioms are appropriate for which situations. An extensive index allows easy, helpful access to individual idioms so that they can be found quickly.

Creative Mentorship and Career-Building Strategies

How to Build your Virtual Personal Board of Directors *Oxford University Press*

There has been a paradigm shift as to how professional knowledge is passed on. It no longer happens naturally through traditional corporate grooming and succession rituals. With less time, lower budgets, and more uncertainty, traditional mentorship models don't work in today's economy. The recent dramatic upheaval in the professional landscape has radically altered how 21st century professionals can most effectively cultivate career success. Creative Mentorship brings the most advanced mentoring methods out of the Fortune 500 boardroom and into your classroom, conference room, or even your living room, giving everyone access to groundbreaking and innovative mentoring methods utilized by today's most powerful and influential professionals. Mary Pender Greene draws upon more than 20 years of experience as a therapist, career coach, and successful executive to codify her personal system for career development, the Virtual Personal Board of Directors (VPBOD). Creative Mentorship features engaging exercises and worksheets as well as practical methods and strategies that will transform the way you approach career development. Creative Mentorship guides you, step-by-step, through the process of building your own Virtual Personal Board of Directors. Creative Mentorship will show you how to select specialized mentors who will accompany and assist you on your path to career success. A toolbox of tactics, strategies, and rules of engagement will ensure that you fully assimilate the VPBOD networking strategy, learn how to best leverage its innovative tactics, and ultimately integrate this revolutionary mentoring methodology into every aspect of your professional life. Creative Mentorship will enable you to achieve your most ambitious dreams and make your ultimate professional goals a reality.

Body Language from Head to Toe**Expressions, idioms, slang, and quotes related to body parts** *Strategic Book Publishing & Rights Agency*

Written by a physician, Body Language – from Head to Toe is a “dictionary” of American idioms and other expressions that contain the name of a body part. The use of body part-related expressions is both interesting and fun. This book contains about 2,000 such idioms, words, and expressions, such as “with the back against the wall,” “brainstorming,” “sweet tooth,” and “tongue in cheek.” Says author Per-Olof Hasselgren, “As a surgeon, I understand the importance of anatomy and the knowledge of organs and tissues. This book reflects my longstanding interest in idioms and other expressions referring to body parts, and it ‘connects’ anatomy with the spoken and written language.” This book was written for three main reasons. First, anatomy matters, particularly in surgery. During the last several years, collecting such expressions became a hobby for the author. Second, as someone moving to this country from another part of the world, Dr. Hasselgren is interested in the peculiarities of the American language. Idioms, slang, and other expressions are specific for any given language and quite often cannot be directly translated. Third, when one starts to be aware of them, written and spoken body language can become quite entertaining.

Poems from the Heart**A Moving Collection** *AuthorHouse***Crying on the Inside** *FriesenPress*

A twelve-year-old girl struggles to understand her mother's sudden and unexplained disappearance, only to have her heart broken when her mother returns as a cold, indifferent shell of the woman she once was. This begins a journey of grief, depression, abuse, and physical illness for the girl, who tells her life story through the narration of Crying on the Inside. The young girl grows up to be a woman who is a victim of her own mind, believing she's a Superwoman who can complete any task to perfection. But she becomes a target for a con artist who marries her only to use her. The psychological and verbal abuse soon become physical, and the Superwoman realizes that she never recognized the warning signs of an abusive partner. White Wolf Woman wants her readers, particularly women, to be spared the pain of abuse by alerting them to the signs they need to heed to avoid the men who will prey on them. This riveting novel, the first of a trilogy, clearly illustrates how a high-achieving, successful woman can become the victim of the most heinous abuse, yet still rise above it.

Wrong Twin, Right Man *Harlequin*

HE WANTED A SECOND CHANCE Rafe Montoya had known his wife, Beth, was unhappy. She wanted him home earlier, wanted a baby, wanted more of himself than he could give. He thought that being her knight in shining armor would be enough. But then a tragic accident claimed Beth's life, and left her twin sister, Anne, injured—and he had run out of time. All he could do was help Anne recover her strength and her memory—it was what Beth would have wanted. Yet when Rafe looked in Anne's eyes, for a fleeting minute, he had the feeling it was Beth's eyes looking back at him. His Beth, ready and waiting to give him a second chance. But that was impossible...wasn't it?

Daughters of the King *Lulu.com***Cool, Hip & Sober****88 Ways to Beat Booze and Drugs** *Forge Books*

In a refreshingly clear-headed and informed approach to addiction, noted writer and radio host Bill Manville sums up what he's learned in more than forty years of research . . . twenty as a demon-driven drunk and twenty in recovery. From his popular show "Addictions and Answers," broadcast from KVML in Sonoma, California, Manville has compiled a list of 88 questions and answers from, as he says, "a ton of plain and fancy drunks and dopers and their friends and families." As well, he offers valuable advice and information from his guests: noted psychiatrists, psychologists, rehab

counselors, MDs, academics, and more. Here, in first-person detail, are responses to the issues faced by alcoholics, addicts, and their loved ones, such as: · How to intervene with a substance-abusing friend · How alcoholics can protect themselves from relapses · Evaluating therapies, both individual and group · How alcohol affects sex · Definitions of "social drinker," "heavy drinker," and alcoholic · The many faces of denial · Is alcoholism inherited? · How to choose the right rehab · Is there an addictive personality? · What role does spirituality play in recovery? A brave and transformational look at the treatment of chemical dependency, *Cool, Hip, and Sober* is a captivating, insightful and essential handbook for overcoming denial and achieving a peaceful, long-term recovery. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Paying it Forward *Xlibris Corporation*

Charles Logan was a highly decorated combat veteran and retired Army Ranger. The wars in Iraq and Afghanistan brought back the nightmares of young men and women in Vietnam who'd suffered the loss of limbs and had been compelled to endure those consequences. Blessed with unexpected good fortune, he established ReRanger School, a facility predicated on the belief that technology must meet the needs of our heroes, that our heroes must not be relegated to the limitations of technology. He set out to return to them some small measure of what they'd sacrificed for their country.

English, The Aussie Way

A Fun Guide to Australia's Colourful Phrases, Words, and Expressions *Strategic Book Publishing & Rights Agency*

Written by a Sydney native, *English, The Aussie Way: A Fun Guide to Australia's Colourful Phrases,*

Words, and Expressions offers an amusing way for English or non-English speakers around the world to learn the colloquial phrases for which Australia is famous. This user-friendly reference provides words/phrases and meanings/synonyms by using an example sentence. Says the author, "For seven years I housed international students who were attending English language schools in Sydney, and I realised that although they had a good grasp of formal grammar, they struggled to understand not only colloquial English, but many of the commonly used phrasal verbs, which could not be found in a standard English/Spanish, French, etc., dictionary. It was then that I decided to start writing some of them down for future reference and it grew from there."

On the Street Where You Live *Simon and Schuster*

A popular guest at many of the town's finest homes, he particularly enjoyed participating in the sombre discussions about Martha's disappearance that still came up from time to time over the dinner table. 'I could tell you about it, every little detail,' he said to himself with a self-satisfied smile as he strolled the boardwalk, exchanging pleasantries with good friends he met along the way. 'But of course I won't. That's our secret: mine and Martha's.' In the gripping new novel from the Queen of Suspense, a young woman is haunted by two murders that are closely linked - despite the one hundred and ten years that separate them. Following the acrimonious breakup of her marriage and the searing experience of being pursued by an obsessed stalker, criminal defense attorney Emily Graham accepts an offer to leave Albany and work in a major law firm in Manhattan. Feeling a need for roots, she buys her ancestral home, a restored Victorian house in the historic New Jersey seaside resort town of Spring Lake. Her family had sold the house in 1892, after one of Emily's forebears, Madeline Shapley, then still a young girl, disappeared. Now, more than a century later, as the house is being renovated and the backyard excavated for a pool, the skeleton of a young woman is found. She is identified as Martha Lawrence, who had disappeared from Spring Lake over four years ago. Within her skeletal hand is the finger bone of another woman with a ring still on it - a Shapley family heirloom. In seeking to find the link between her family's past and the recent murder, Emily becomes a threat to a devious and seductive killer, who has chosen her as his next victim.

Exocrinology the Science of Love

Human Pheromones in Criminology, Psychiatry, and Medicine *Ross Nicholson*

This book's power to cure criminal behavior alone will provide trillions of dollars in economic benefit

to humanity. Human pheromones provide the final epigenetic key to the medical puzzles of human behavior, physical and mental illness. Pheromones, their deficiencies, receptions, and excesses, accommodate the synthesis of economic, neuroanatomical, physiological, chemical, and behavioral evidence into a new theory of sociopathy and disease: the pheromone theory of love and illness. Surely this book will irrevocably revolutionize human social organization. We must use this new knowledge wisely and well. This is a book of genius. This is a book for the ages.

Big Girls Don't Cry, But We Do *Xlibris Corporation*

“Big Girls Don’t Cry, But We Do” is a book that will teach women and girls alike all over the world to encourage themselves in tough times. Women should not see crying as a negative or shameful thing, but to learn from the lessons that each tear has taught them. God has given women tears as a way to express her joy, sorrow, pain, disappointment, love, loneliness, grief and even pride which often comes before a fall. According to Psalm 30:5, “Weeping may endure for a night, but joy will come in the morning”. God tells us that our sorrow will come, but it will not remain with us for long. There are many characters in the bible like Ruth and Ester who had to suffer, but great were their rewards in the end. Ruth was poor and left her country to follow her mother-in-law, however, she was faithful and God blessed her with a Spiritual and not to mention, rich husband who was a good provider. Likewise, Ester, a Jewish mother-less girl, was obedient to God and became a highly respected queen. I am sure that these women shared some tears of sorrow for a season; in the end they shared tears of joy. I want to encourage you, not to give up on your dreams or your goals because if you have faith the sides of a mustard seed, you will become winners in the end!

Stranded with the Tempting Stranger

An Anthology *Harlequin*

Risky Business High-powered lawyer Brandon Washington knew how to win. He had to be ruthless, cutthroat and, for his latest case, irresistible. His biggest client, the family of the late hotel magnate John Garrison, had sent Brandon under an assumed name to the Bahamas to track down their newly discovered half sister. He would find her, charm her and uncover all her secrets. But as soon as Brandon met the beautiful heiress, the lines began to blur. Between the truth and the lies. Between her secrets and his. Between his ambition...and a chance to be loved. And as a storm gathered over the Caribbean, Brandon knew the reckoning was coming. And this time, winning could be the last thing he wanted.

The Procyon Strain: Book One *Lulu Press, Inc*

A young man's summer vacation on the resort island of Hilton Head, South Carolina is cut short when inexplicable events bring in the Coast Guard and Centers for Disease Control and Prevention. Strange happenings continue to mount and a government cover-up is exposed. A new virus, capable of replicating itself twice as fast as H.I.V. and claiming a 100-percent mortality rate, threatens to tear civilization apart at the seams. Attacking the brain stem and motor cortex, this new virus, dubbed "The Procyon Strain," strips the host of all emotion and personality, hijacking the body as a vessel for direct human-to-human transmission. Society teeters on the verge of meltdown as governmental forces seek to curb and contain the growing outbreaks. The officials in Washington, D.C. placate the public's growing concern by denying what they know to be true: a global outbreak of an unprecedented scale lies just beyond the bend, and modern civilization is woefully unprepared for what comes next.
