Everything That Remains

Not a how-to book but a why-to book, Everything That Remains is the touching, surprising story of what happened when one young man decided to let go of everything and begin living more deliberately. Heartrending, uplifting, and deeply personal, this engrossing memoir is peppered with insightful (and often hilarious) interruptions by Ryan Nicodemus, Millburn's best friend of twenty years.

4.0 out of 5 stars Everything That Remains. Reviewed in the United Kingdom on 18 September 2019. Verified Purchase. I've been exploring minimalism lately. I watched the documentary and was fascinated by living with less. This book felt I've lived a decade and come to know Joshua and Ryan. It's a different pace.

Everything must change, so that nothing remains the same. Nothing of the old system must stay, and everything of the beauty, humbleness, and determination of our common struggle — as heterogeneous and ambiguous it often appears — must be cherished as one thing that the old system will never be able to understand.
