FMC Manual - Family Mediation Council

The term ' professional practice ' refers to the conduct and work of someone

from a particular profession. Professions are occupations that require a prolonged period of education and training. They are often overseen by professional bodies who may accredit educational establishments and qualified professionals.

Professional practice - Designing Buildings Wiki

The Manual of Practice is designed to be a standard for practitioners performing roof, exterior wall, and waterproofing consulting and quality assurance functions. The Manual of Practice is intended to provide a peer-reviewed structure for the practice of consulting in the construction of the building enclosure. In simple terms, it describes what a professional consultant does and

how the consultant does it.
