The original book Black Like Me shows a man of uncommon courage and conviction. This

book gives a modern day display of incarnation...a white man in a black man's skin. This particular edition ends with an essay that puts Griffin in his larger context explaining his blindness from a war injury, regaining sight, developing spiritual conviction and participation in the civil rights movement.

Regardless of how much progress has been made in eliminating outright racism from American life, *Black Like Me* endures as a great human and humanitarian document. In our era, when "international" terrorism is most often defined in terms of a

single ethnic designation and a single religion, we need to be reminded that America has been blinded by fear and racial intolerance before.

*Black Like Me*, first published in 1961, is a nonfiction book by white journalist John Howard Griffin recounting his journey in the Deep South of the United States, at a time when African-Americans lived under racial segregation. Griffin was a native of Mansfield, Texas, who had his skin temporarily darkened to pass as a black man. He traveled for six weeks throughout the racially segregated states of Louisiana,

Mississippi, Alabama, Arkansas, and Georgia to explore life from the other side of th
