When block printing became possible in the 19th century and bookbinding was mechanized in the 1830s, the style of decorative endpapers changed. Now these pages were covered in wallpaper-like,...

The Unsung Delight of a Well-Designed Endpaper - Atlas Obscura

This group is for images of decorative endpapers -- the marbled or block-printed paper used inside the front and back covers of old books. Not restricted to marbled paper -- although that seems to be the most common form. Ideally, images should be scans of the actual endpaper, and should include details of the book (edition) from which the scans were made. But I don't care much for rules so we ...

Decorated Book Papers, first published in 1942, remains one of the standard works on its subject. In it, Rosamond Loring, collector and maker of decorated papers, explores the history and use of decorated papers in the book arts: the early history of endpapers and marbling, marbled endpapers, printed endpapers, Dutch gilt or Dutch flowered papers, paste endpapers, nineteenth-century endpapers,

publishers' endpapers, and pictorial endpapers.
