If a girl kisses you first, she's probably just tired of waiting and wants to kiss you. Don't be embarrassed! It can take a lot of courage to work up to that first kiss. If she couldn't stand waiting for you to kiss her first, it's probably a sign that she really likes you, anyway. 2. She wanted to. Simple as that!

That's a pretty nice set up for the first kiss of a relationship. Keep your cool, doesn't mean she wants to sleep with you by the third date though. It means that she's really interested in you and more dates are to come. Just keep doing what you're doing and don't be afraid to kiss her back now that she's initiated the first kiss.
