Dell™ Laser Printer 5100cn Manual del propietario

The Dell Laser Printer 5100cn is designed to replace similar-speed mono-only printers: the ability to choose between mono and

colour output to a single device means a reduced device footprint and lower cost of acquisition and service costs when compared with separate monochrome-only and colour print devices, while at the same time the ability to print all or part of the document in colour boosts output quality, professionalism and retention.
