Parks and Gardens (en)

An urban park or metropolitan park, also known as a municipal park or a public park, public open space, or municipal gardens, is a park in cities and other incorporated places to offer recreation and green space to residents of, and visitors to, the municipality. The design, operation and maintenance is usually done by government agencies, typically on the local level, but may occasionally be contracted out to a park conservancy, friends of

group, or private sector company. Common features of mu
