Good Neighbors

A Novel *Atria Books*

“A modern-day *Crucible*....Beneath the surface of a suburban utopia, madness lurks.” —Liv Constantine, bestselling author of *The Last Mrs. Parrish* “Sarah Langan is a phenomenal talent with a wicked sense of wry humor. *Good Neighbors* knocked me out. Like Shirley Jackson, Langan’s work blends a bleak streak with an underlying sense of the humane that wrung my heart.” —Victor LaValle, author of *The Changeling* Celeste Ng’s enthralling dissection of suburbia meets Shirley Jackson’s creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor

against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who’s got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pageant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor and her kid brother Larry is called “Robot Boy” by the kids on the block. Their next-door neighbor and Maple Street’s Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then,

during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea's daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom's word against the other's in a court of public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, *Good Neighbors* excavates the perils and betrayals of motherhood and friendships and the dangerous clash between social hierarchy, childhood trauma, and fear.
