Isaca Privacy And Management Guide

The guide incorporates how ISACA’s COBIT 5 framework can support the development or auditing of privacy management by covering the five governance and management principles. The guide also explains how the COBIT 5 enablers can be adapted to build and maintain a privacy program. The book includes high-level guidance for implementing a privacy management program. This could also be used by auditors when reviewing how an organization has gone about establishing its privacy management program.
